NO. 262—SIXTY-THIRD YEAR . VICTORIA, BRITISH COLUMBIA, WEDNESDAY, OCTOBER 19, 1921 . EIGHTEEN PAGES

PARLIAMENT OF GREAT BRITAIN OPENS SESSION

Premier Announces Composition of Empire's Delegation to Washington Disarmament Conference, and Leaders Express Hopes of Realization of Successful Gathering of Nations.

LLOYD GEORGE WILL LEAVE LONDON FOR AMERICA AT AN EARLY DATE

LONDON, Oct. 18.—Mr. Lloyd George, the Prime Minister, stated in the House of Commons, upon the reassembling of that body today, that he hoped to go to the Washington Conference on the limitation of armaments and Far Eastern problems as soon as the parliamentary and general situation rendered it possible.

The Dominions, said the Premier, will be represented as follows:

Canada—Sir Robert L. Borden.
Australia—George Foster Pearce.
New Zealand—Sir John Salmond.
India—Zerinavasa Zastri.
South Africa—By representatives of the British Government.

The senior British naval expert, the Premier announced, would be Admiral Earl Beatty, commander of the Grand Fleet, who would be succeeded in due course by Admiral Chadwick.

Lord Cavan, in charge of British army operations in Italy in the last year of the war, would be the principal military expert, and Air Marshal Higgins would be the aviation expert, the Premier stated, while the secretary of the delegation would be Sir Maurice Hankey, secretary of the Cabinet since 1919.

LEGISLATURE IS FORMALLY OPENED

Distinguished Gathering Present at Inaugural Ceremony at Second Session of Fifteenth Parliament of B. C.

In the presence of a distinguished and representative gathering which completely filled the floor of the chamber and the public and other galleries, Lieutenant-Governor Nichol formally opened the second session of the Fifteenth Parliament of British Columbia at 3:10 o'clock yesterday afternoon.

As His Honor entered the chamber amid the boom of a salute of fifteen guns fired by a squad of garrison artillery, under command of Major Hughes, at Work Point Barracks across the harbor, the chamber presented an animated appearance. The ceremony was a short one, taking less than half an hour.

Arrangements for the ceremony were excellently carried out and the large number of invited guests were speedily seated. Among the throng of guests were members of the bench and bar, representatives of the clergy and other professions, members of the consular service, members of the Senate and Federal House of Commons, municipal heads and prominent citizens. The uniforms of the naval and military escort of His Honor added a touch of color to the scene.

Distinguished Assemblage

For the purpose of making room for the guests, the seats of the members of the House were bunched to-

VETERANS TALK ABOUT UNITING

Convention of Soldiers Discusses Question of One Organization for Dominion of Canada and Unemployment

PORT ARTHUR, Oct. 18.—With the housing and unemployment resolutions disposed of, the delegates to the fifth annual convention of the G. W. V. A. this afternoon commenced discussion of what appears to be the most important matter before the soldiers' parliament, namely, unification in some form. The fraternal delegates of the Imperial Veterans in Canada and the Grand Army of United Veterans took part in the proceedings by invitation.

The discussion was precipitated by the introduction of a resolution commending that the convention place itself on record as being in favor of federation under the constitution and by-laws of the British Empire Service League as the first step towards unity. The convention had also before it the resolution adopted at Sunday's conference which was intended as the foundation of combined action after the governing bodies concerned had ratified it. W. J. Irwin, Edmonton, was appointed chairman at this stage in order that President R. B. Maxwell might take part in the discussion, being recognized that his viewpoint would be valuable in the debate. An amendment to the resolution submitted today that a plebiscite of the membership be taken has not yet been dealt with.

President Maxwell recounted the proceedings of Sunday's conference, and was followed by G. C. MacNeil.

To Be Short Session

Austen Chamberlain, Government Leader in the House of Commons, stated he hoped the business of Parliament would be completed within a fortnight.

Tomorrow, he said, would introduce four bills, all designed to alleviate distress and remove difficulties arising from unemployment. He added that Premier Lloyd George would make a comprehensive statement tomorrow regarding the Government's policy on unemployment.

The public galleries of the House of Commons which have been closed since November 20 last year, owing to fear of demonstrations by Sinn Feiners or other agitators, will be reopened next Monday, according to announcement this afternoon by the Speaker. Coincident with this announcement the commissioner of police stated that during the sessions of Parliament, no assembly or processions would be permitted in the vicinity of the Houses of Parliament. The belief at Scotland Yard that other unemployment demonstrations may be planned to follow those of last Thursday, is regarded as the reason for the commissioner's orders.

Speaks of Dominions

Mr. Lloyd George in speaking of the Dominions and India, said it was arranged at the recent Imperial Conference that the British Government should represent the whole Empire at the Washington conference. In view of the vital importance of schedules to be considered at that conference, however, he said it was felt to be desirable that the Dominions should be represented by their respective Premiers, or, if this was found impossible, by persons nominated by them. None of the Premiers have found it possible to attend, he added, and have nominated representatives.

In House of Lords

In the House of Lords, Earl Curzon, Secretary for Foreign Affairs, in making a statement similar to that of the Prime Minister with regard to the representation of Great Britain at the disarmament conference, said:

"I am sure your lordships will join in an informal tribute to Mr. Balfour for being willing, in addition to the many public labors he has undertaken, to add this additional service, and you will recognize that in view of his prestige at home and the almost unexampled influence which he acquired in the United States on his visit during the war, no more fitting exponent of the British view could be found.

"I should have liked to attend the conference," continued the Foreign Secretary, "because I am one of those who entertain a most confident hope that there lies in the position of the conference material for arriving at an honorable and happy solution of the very difficult problems arising out of the Far Eastern and Pacific questions." He expressed, on behalf of the House of Lords, his most earnest wish for the success of the British representatives at what, he said, would certainly be one of the most momentous of international meetings that had ever occurred. He voiced the confident hope that under the guidance of Providence and through the co-operation of statesmen from all parts of the world, results might be obtained which would ensure the peace and welfare of mankind.

RAILWAYS MAKE MOVE TO HELP UNEMPLOYED

TORONTO, Oct. 18.—A move to relieve unemployment was made today by the Canadian National Railway sending out instructions to general managers to re-employ men laid off in the past six months, according to an official announcement made by the management here. In addition to the work to be undertaken in the shops of the Canadian National Railway, repair work will be carried on in the car building plants of the various Canadian equipment companies located at Fort William, Hamilton, Montreal, Amherst and New Glasgow, N.S. The announcement states that the work will be begun at once.

PRESIDENT SENDS MESSAGE TO KING

WASHINGTON, Oct. 18.—Belief that the British and American representatives at the armament conference will work together with the other nations to reduce the "burden of armaments through diminishing possible causes of war" was expressed by President Harding today in a cablegram to King George.

The President's cablegram was in reply to one received from the King yesterday, in which the British ruler expressed his appreciation of the bestowal of the American medal of honor on England's "unknown warrior."

COOK ISLANDS WILL BE LEGISLATED DRY

WELLINGTON, N.Z., Oct. 18.—Prohibition would be enforced in the Cook Islands by the New Zealand Government under a bill introduced before Parliament. The Cook, or Harvey Islands, were taken under British possession in 1888 and are under the direct administration of New Zealand. They lie between the Tonga Archipelago and Tahiti, and are inhabited by Malays.

BOARD RESERVES ITS JUDGMENT

Application of Union of Canadian Municipalities and City of New Westminster Against Telephone Co. Heard

VANCOUVER, Oct. 18.—The Board of Railway Commissioners at this morning's sitting reserved judgment on the application of the Union of Canadian Municipalities and the city of New Westminster for an order compelling the B. C. Telephone Co. to issue its tariff of charges in conformity with the order recently handed down by the board at Ottawa. The freight rates case was resumed and addresses were given by Messrs. J. B. Thomson, president of the British Columbia division of the Canadian Manufacturers' Association; J. B. Fordham Johnson, president of the British Columbia Sugar Refinery, Limited, and by J. C. Pendray, president and managing director of the British-American Paint Co. In great detail Mr. Thomson showed how manufacturers and shippers in this Province were treated unfairly as compared with manufacturers in Eastern Canada. Backing up his statements with figures, he told that for various comparative distances, British Columbia was charged a much higher rate than shippers from Eastern Canada, and westward from Winnipeg. He said that British Columbia was penalized on the same class of freight and on the same distances from 50 to 87 per cent, and Eastern manufacturers were given an undue advantage against coast competitors.

Unfairly Dealt With

That the British Columbia Sugar Refinery had been unfairly discriminated against in connection with freight charges to the Prairie Provinces and to some points in British Columbia, was the substance of the remarks of Mr. Johnson. Illustrating three points in the Okanagan, Kootenay and Crow's Nest, he showed by quoted rates how his company was charged from 76 to 99 per cent more for shipments over a similar mileage in the East.

EX-KING LUDWIG OF BAVARIA DIES

Renounced His Throne in 1916 and Has Lived in Retirement Ever Since—A Picturesque Figure

LONDON, Oct. 18.—An Exchange Telegraph dispatch from Vienna today states that a report has been received there of the death of Ludwig III, former King of Bavaria, at Sarvar Castle, in Hungary.

Ludwig III, a picturesque figure in Europe for three-quarters of a century, renounced his throne as King of Bavaria on November 16, 1918, having held it three years. His wife, Maria Theresa, who was Princess Royal of Hungary and Bohemia, died the same day.

After his abdication, Ludwig fled to Switzerland and later to the Austrian Tyrol with other royal members of his household. In March, 1919, he received permission of the Swiss Government to reside at Zizers, and thither he went. He remained nearly a year. He was severely ill for several months, and once was erroneously reported dead.

On December 22, 1920, Ludwig returned to Wildenwart, Southern Bavaria, where he remained most of the time since.

JURY DISAGREES IN INDIAN MURDER TRIAL

VANCOUVER, Oct. 18.—Disagreement of the jury ended the trial today of Tom Williams, an Indian, charged with the murder of Ernest Jack, a fellow tribesman. A new trial was ordered, which will begin Wednesday.

SETTLEMENT OF STRIKE URGED

Various Organizations Make Efforts to Avert Nation-Wide Railway Strike on United States Roads

LABOR BOARD AND FIVE UNIONS MEET

Public Bodies Offer to Take Hand in Mediation Between Union Men and Railroad Representatives

CHICAGO, Oct. 18.—Efforts to avert the nation-wide rail strike scheduled for October 30, tonight found government agencies, representatives of the public and some railway labor unions, taking action, simultaneously which all three hope would prevent a tie-up of the transcontinental transportation system.

Foremost among the moves being made was a meeting between the Railroad Labor Board and heads of the five unions, which have already authorized their men to strike, called for Thursday by the board at the request of President Harding.

Public Moves

The first move by a public organization to avert a strike came when the American Farm Bureau Federation, representing 1,250,000 farmers, sent petitions to the Inter-State Commerce Commission, asking an immediate 10 to 20 per cent reduction in freight rates on necessities, and announced that it would also appeal to the Labor Board not to grant a new ten per cent wage reduction which the roads have announced they will seek, but rather to revise wages generally in accordance with the cost of living. Concurrence in these requests should avert the strike, the federation said, and volunteered to meet with union and rail representatives as a mediator.

SUGGESTS NEW CONSTITUTION

Premier of Queensland Proposes Change in Centre of Authority for Australian Commonwealth

LONDON, Oct. 18.—The Times correspondent at Melbourne reports that the Interstate Labor conference at Brisbane has carried the resolution proposed by Hon. E. G. Theodore, Premier of Queensland, in favor of making the Australian Commonwealth the supreme governing authority in Australia with unlimited powers. The states of Australia would have only such functions as the Commonwealth confers and the Commonwealth to have the right to create new states. The scheme, which is a drastic form of unification, provides for the abolition of the Senate, the initiative and referendum, the vesting of final jurisdiction in the High Court, and the disallowing of the acceptance of Imperial honors in any circumstances by any Australian citizen.

FORMER NEWSPAPERMAN DIES AT KAMLOOPS

KAMLOOPS, Oct. 18.—Captain E. C. Sheppard, of Vancouver, died at the Royal Inland Hospital here this morning. He had been a patient at Tranquille Sanitarium for a long time and arrived here a week ago from Gravenhurst, where he had also been receiving treatment.

Captain Sheppard, who was 31 years of age, was formerly managing editor of The Vancouver Sun and went overseas from Vancouver with the University contingent, contracting on service the tuberculosis from which he never recovered. He was a son of Edmund E. Sheppard, founder and for many years editor of The Toronto Saturday Night.

RULE OF ROAD CHANGES JAN. 1

Regulations Take Effect on Vancouver Island at 6 A.M. New Year's Day, Says Government Inspector

VANCOUVER, Oct. 18.—Change in the rule of the road from left to right on the Lower Mainland and on Vancouver Island will take place at 6 a.m. on January 1, 1922.

Official word to this effect was brought to the meeting of the Vancouver Automobile Rula of the Road Committee by William Rae, Government inspector of equipment, who has been in Victoria conferring with Provincial authorities on the question.

ULSTER VOLUNTEER FORCE REORGANIZES AGAINST AGGRESSION

Northern Ex-Servicemen's Association Composed of Volunteers of Pre-War Days on Strictly Anti-Republican Lines Gathering Its Members Together Once More for Defence

STRENGTH ESTIMATED HUNDRED THOUSAND

Conference Between Sinn Fein Leaders and Representatives of British Government Will Resume Its Deliberations on Thursday When Prime Minister Fulfills His Engagements

BELFAST, Oct. 18.—Reports that the Ulster volunteer force was being reorganized were verified in official quarters here today. It was stated that Ulster ex-service men were enrolling.

Why shouldn't they be, when the Sinn Feiners are drilling even in Belfast? was the comment in official quarters.

The Ulster Ex-Servicemen's Association, composed of volunteers of the pre-war days, is constituted on strictly party lines, no Republicans or Nationalists being eligible.

At Lisburn last night 1,000 of them assembled, and, under commandants who are ex-officers of the British Army, marched in formation along a specified route. The men carried no arms during their march, although they are well equipped in this respect.

The Belfast correspondent of The Evening News today sent this dispatch:

"There has been much secrecy as to details of organization, but the strength of the Ulster Volunteers is about 100,000. More than one-fourth are ex-service men. Volunteers will be well armed, as they have kept their rifles since the 1914 days."

RAILWAY STRIKE IS IMPOSSIBLE

Agreement Entered Into by Railwaymen and Conciliation Board Makes Strike in Canada Impossible

MONTREAL, Oct. 18.—No railway strike in Canada on October 30, the date on which the strike is scheduled to occur in the United States, is possible, it was authoritatively stated in railway circles today. The tentative agreement entered into by the five principal Railway Brotherhoods with the Canadian railways, following the Conciliation Board's proceedings, is so drawn up that 30 days' notice must elapse before a rupture could occur.

PREMIER OPENS ONTARIO FIGHT

Mr. Meighen Challenges Hon. T. A. Crerar to Show Where Government Had Done Bidding of Big Interests

BROCKVILLE, Oct. 18.—Premier Meighen opened his Ontario campaign today with two meetings, one at Spencerville, following the Liberal-Conservative convention held early in the afternoon, and in the evening one here, in the interest of H. A. Stewart, who has been selected to contest the constituency of Leeds.

Approximately 2,000 people gathered in a large tent at Spencerville to hear the Premier. Before Mr. Meighen spoke, brief addresses were delivered by A. C. Casselman, National Liberal-Conservative candidate in Grenville riding; James Sanderson, the runner-up at the convention, which was held immediately before the meeting, and G. Howard Ferguson, Conservative leader in the Ontario Legislature.

Mr. Ferguson contended that the tariff policy of Mr. King would place this country under the domination of the United States. Hon. T. A. Crerar, he declared, stood for class domination, and does not attempt to deny it.

Premier Shows Boldness

Mr. Meighen said that he perhaps showed great boldness in appearing on a public platform after Mr. Crerar had declared so openly that the Government was dishonest and in the pay of big interests. He felt, however, that his right to address a meeting of farmers was just as good as that of Mr. Crerar; the latter, he said, having left his father's farm somewhat earlier in life than he (Mr. Meighen) had himself, to become the head of a great commercial organization. The language of Mr.

ARTS EXHIBIT IS NOW OPEN

Dean of Columbia Officiated at Ceremony at Belmont House Yesterday Afternoon—Pictures and Crafts Excellent

Newcomers to the city who visit the annual exhibition of the Island Arts and Crafts Club, opened yesterday afternoon at the Belmont Building, will proceed at once to look at the pictures and will think only of the hours and weeks which the creators have put into the making of these pictures and handicrafts which adorn the rooms.

The seasoned "old-timer," however, may be permitted to see a little further and feel appreciation of the labors of the "faithful few" who year after year so modestly don the garb of workmen and the role of Jack-of-all trades in arranging and setting up the display. The committee this year has had no less arduous a task than usual, and the results are highly creditable, the arrangement of the exhibits being excellent, while the catalogues are comprehensive and comprehensible. The collection comes from both near and far, and the selection and hanging of the exhibits must have demanded much patience and genuine hard work. Those to whom tribute is due in respect of the undertaking are Mr. MacMillan, the secretary, who had charge of the cataloguing; Miss Crease, convener of the hanging committee; Miss Kitto, Mr. Bamford, and Mr. T. Gore, who arranged the watercolor collection, and Mrs. Nathaniel Shaw, who had charge of the crafts.

Dean at Opening

The formal opening was carried out by Very Rev. Dean Quainton, who made a happy little speech in which, after wishing the Arts Club enterprise every success, he referred to the need in Victoria of a permanent art gallery and the establishment in the city of a place where art students could have some permanent form of training.

About two hundred visitors during the afternoon and evening went the round of the exhibition, which is to be open until next Tuesday night, special programmes having been arranged by Miss Heming for Friday and Monday next.

Parliamentary Incident

LONDON, Oct. 18.—An incident with bearing both on the Irish question and parliamentary etiquette occurred in the House of Commons today while Sir John Butcher, Unionist, was speaking. In alluding to Irish affairs he referred to the Irish leader as "de Valera," instead of using the customary designation to which Mr. de Valera was held to be entitled as an elected member of parliament, "the honorable member from East Claire and East Mayo."

The Speaker immediately called Sir John to order, saying he must refer to Mr. de Valera as the member from his particular constituency.

Committee on Air Force

LONDON, Oct. 18.—A committee of Sinn Fein and British delegates to the Irish conference, which has been holding sessions here for a week, met at the Colonial Office today to consider facilities that should be given British Air Forces in case an agreement should be reached on the Irish question. News from Ireland today tended to show that the Sinn Fein was intensifying its boycott against Belfast goods, notwithstanding the truce.

Conference to Resume

LONDON, Oct. 18.—The conference between Irish leaders and representatives of the British Government will, it is expected in Sinn Fein quarters, be resumed Thursday. The interruption of the sessions after yesterday's meeting was due solely to the engagements of Prime Minister Lloyd George in connection with the reopening of parliament. Meanwhile the committee of the conference, composed of the other members, will hold sessions for the advancement of the conference's work.

Fiscal Freedom

DUBLIN, Oct. 18.—The All-Ireland Industrial Conference, in session here, adopted unanimously a resolution declaring that in the proposed treaty with Great Britain full fiscal freedom for Ireland was a fundamental and essential conditions, and that full control of all Irish industrial shipping and commercial affairs must be vested in Irish authority. The resolution was forwarded to the Dail Eireann delegates in London.

MAJOR BLACK IS DAWSON'S CHOICE

National Liberal and Conservative Party Nominates Vancouver Man to Fill Place of Former Member

DAWSON, Y.T., Oct. 18.—The National Liberal and Conservative party in convention here last night nominated Major George Black, of Vancouver, former Commissioner for the Yukon, as its candidate in the Federal elections. No other name was submitted to the convention. Dr. Alfred Thompson, who has represented the constituency since 1911, had announced his intention to retire.

Major Black is now in Vancouver. It is expected that he will leave there within a few days for Dawson to open his campaign in the Territory.

George Norris Williams, who has been appointed chief returning officer for the Yukon, formerly was administrator of the Territory.

SUPREME COURT DISMISSES CASE

Appeal of Gold Seal, Limited, Brings Decision That Alberta Prohibition Act Is Not Ultra Vires

OTTAWA, Oct. 18.—The appeal of Gold Seal, Limited, versus Dominion Express Company was dismissed in a judgment issued by the Supreme Court of Canada this morning, Mr. Justice Idington dissenting. The costs of the appellant throughout, however, are ordered to be paid by the Dominion Express Company. But for legislation passed toward the end of last session, providing against possible defects in the Canada Temperance Act, the appeal would have been successful, according to prominent legal men here.

In his summary Mr. Justice Duff concurs with the majority judgment of the Appellate Court of Alberta that the prohibition brought into effect by the Act of 1919 was not vitiated by reason of the failure of the proclamation to name a specific day of the month on which prohibition should come into force. The intention of Parliament, he holds, was not to require the Governor-in-Council to fix by the proclamation irrevocably the date upon which (if at all) the prohibitions are to come into force with the possible consequence of all the labor and expense of taking the vote being wasted in the event of the proceedings being prolonged by reason of legal process or otherwise beyond the date named.

Case Described

The case rose out of the refusal of the Dominion Express Company to transport liquor for the Gold Seal, Limited, from Vancouver to Calgary. This was in February, 1921. The express company also notified the Gold Seal, Limited, that it would not in future carry intoxicating liquor from Alberta to Saskatchewan or Manitoba, or from British Columbia. The reason alleged by the express company was that such business was unlawful under the Canada Temperance Act.

Gold Seal, Limited, claimed that amendments to the Canada Temperance Act were ultra vires of Parliament, and that there was no valid prohibition law in Alberta. It was also submitted that the Dominion Parliament could only legislate uniformly for the Dominion as a whole and not for the provinces separately. It was further submitted that the Canada Temperance Act was unconstitutional on the ground that the prohibition was not limited to the locality in which it had been brought into force, and that by the vote of the people of Alberta, trade with the other Provinces in the commodity was destroyed. It was alleged the Alberta law was bad, inasmuch as it invaded the regulation of trade and commerce, a matter exclusively in the jurisdiction of the Federal Government. By a majority decision this appeal was dismissed by the Supreme Court.

LONDON, Oct. 18.—Fifty Chinese from different towns in the North of England have been deported at Liverpool. Many had spent considerable sums to enable them being smuggled into the United Kingdom.

FREIGHT RATES HINDER TRADE

Discriminatory Railway Rates In British Columbia Again Attacked Before Railway Board In Vancouver

VANCOUVER, Oct. 18.—What are declared to be discriminatory railway freight rates in British Columbia, were again attacked before the Board of Railway Commissioners here this morning by G. G. McGeer, counsel for the Province; J. B. Thomson, chairman of the British Columbia Division, Canadian Manufacturers' Association, and J. W. Fordham Johnson, president of the British Columbia Sugar Refining Company.

Mr. Thomson declared that existing railway rates are hampering and hindering industrial welfare in the Province. Perusal of freight rates up to the fifth class for distances up to 102 miles shows that the manufacturer in British Columbia distributes his goods on rates that are more than 30 per cent higher than the rates enjoyed in Eastern Canada, he said. Similarly for distances up to 250 miles the difference is 61.8 per cent and continues on greater distances so that on 1,000 miles it is 87.2 per cent. At Marquette, Man., 1,446 miles from Vancouver and 1,437 miles from Montreal the difference in the rates is 55 per cent higher from Vancouver than from Montreal, he declared. Class rate differences are approximately as great on similar distances. Not only, Mr. Thomson declared, are British Columbia manufacturers handicapped in competing on the prairie market with Eastern Canadian merchandise, which enjoys lower rates from Montreal, but they are also obliged to compete with Eastern American commodities moving by water from Lake ports. The fact that American goods are being distributed from Fort William and Winnipeg on the basis of prairie standard rates, which are much lower than rates on like goods from British Columbia, constitutes, Mr. Thomson said, a discrimination in favor of American competitors.

Manufacturers Confined

Mr. Thomson asserted that "these rate discriminations result in confining British Columbia manufacturers to British Columbia coast markets;" that few manufacturers are able to develop sufficient business to permit competition with other parts of Canada and the United States.

Urging the elimination of the mountain scale of freight rates, J. W. Fordham Johnson submitted a comparison of rates on sugar, showing a difference of 36.5 per cent in favor of Eastern refiners on a 844-mile haul, and a difference in favor of the East of 57⅞ cents or 99.3 per cent per 100 pounds on a 519 haul.

Mr. Johnson said that his firm was completely shut out of the Manitoba market by existing freight rates.

Mr. McGeer said that while the rate on sugar per hundred pounds from Vancouver to Winnipeg was $1.73, the rate from San Francisco to Winnipeg was but $1.58½.

MEANER PRESS SPREADS DISLIKE

Viscount Bryce Says Americans Think Anglo-Japanese Treaty Encourages Japan in Aggressive Attitude

LONDON, Oct. 18.—Americans are apprehensive of Japanese aggression, says Viscount James Bryce, former British ambassador at Washington, in an article printed in today's London Times, in which he reviews the popular attitude of America toward the conference on the limitation of armaments, as he observed it during his recent visit to the United States. He declares Americans hold the opinion that the Anglo-Japanese Treaty encourages Japan to take the aggressive attitude.

Viscount Bryce deprecates the fear of the Japanese, and says, among other things, that the Japanese in California are not numerous enough to be a danger, although they are clannish and progressive.

Californian Dislike

"Californians," he goes on, "have the same sort of dislike for them which the rougher part of the wage earning class everywhere has for strangers who, while competing for work, are dissimilar in habits and aspects. The irritation against the Japanese is sedulously fostered and diffused by the meaner organs of the press. Some American writers have even warned California to beware of a Japanese invasion, although everyone might at this time and day be expected to know what would befall a fleet and army arriving on a hostile coast after a voyage of many thousands of miles, occupying more than three weeks."

Mr. Harding's administration has done all it can and deserves success, he concluded. "But if the conference should fail the disappointment of American hopes would be bitter and severe in proportion to their present brightness and the prospect of international co-operation would be darkened."

GIRLS! LEMONS BLEACH FRECKLES AND WHITEN SKIN

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, which any drug store will supply for a few cents, shake well, and you have a quarter pint of the best freckle and tan bleach, and complexion whitener.

Massage this sweetly fragrant lemon lotion into the face, neck, arms and hands each day and see how freckles and blemishes bleach out and how clear, soft and rosy-white the skin becomes. (Adv't.)

CANADIAN FIRM TO BUILD ELEVATORS

LONDON, Oct. 18.—Reuter's correspondent at Cape Town, South Africa, says it is officially announced that it had been decided, subject to certain formalities, to place the whole contract for the erection of 80 grain elevators with a Canadian firm. It is understood that part of the machinery will be purchased in Great Britain, but almost the whole cost of the buildings, other than the structural steel to be used therein, will be expended in South Africa.

PUPILS TO BE FED ON SHEEP GLANDS

CHICAGO, Oct. 18.—Pupils in subnormal classes at Chicago schools will be fed on a sheep gland diet as soon as arrangements can be completed, it was announced today by Dr. Frank Bruner, director of the special schools department of the board of education.

The glands diet is the idea of health department physicians and several thousand children will partake of the sheep glands prepared in the school kitchens.

IRISH DESTROY PRISON CAMP

Prisoners Were Refused Permission to Attend Mass and Began Work of Destruction in Revenge

CORK, Oct. 18.—The work of destruction begun Sunday by the occupants of the Spike Island camp for interned prisoners when they became enraged because they were not permitted to attend mass, it is alleged, was continued today, the cheering of the prisoners as they carried on their operations being plainly heard in Queenstown. The buildings on the island, known as Block B, were destroyed yesterday, while another group known as Block A was pretty well demolished today. Volumes of smoke were observed ascending from the island, where the interned men, it was said, were burning their sleeping kits. Four of the prisoners have been badly injured.

MAIL CARRIER SHOT AND ROBBED

F. Benton Was Young Englishman With Record as Mail Carrier at Cameron Falls, Ontario

FORT ARTHUR, Ont., Oct. 18.—F. Benton, mail carrier, who was found murdered in the vicinity of Cameron Falls yesterday, was a young Englishman about 26 years old, who, before coming to this country, was a solicitor in London, a graduate of Cambridge, and the son of wealthy parents. He came to this district last Spring after having spent six months at Toronto, where a brother is said to reside, following his coming from England. Benton made a great record in carrying the mail between Cameron Falls and Nipigon, being never late, and covering the lonely road without company, and carrying valuable property time after time, until he was apparently shot from ambush and robbed of his charge.

COMOX COAL IS OFFERED TO CITY

E. A. Carew-Gibson Offers the Citizens of Vancouver Partnership in 8,000 Acres of Coalfields

VANCOUVER, Oct. 18. — Contingent upon success in securing his "day in court," E. A. Carew-Gibson has offered the citizens of Vancouver, through Mayor Gale, a partnership in 8,000 acres of Comox coalfields and a guarantee of 300,000 to 500,000 tons annually at $5 per ton f.o.b. scow at shipping point. If the city council would support his fight to get before the Supreme Court, where he was advised he was sure of success, he would sign over a "very substantial interest" in his properties and make a Vancouver municipal coal yard possible through its partnership.

Legislature Deprives

Prior to 1918 the Dunsmuir interests attacked Mr. Gibson's title to 1,200 acres of coal outcropping lands. He went into the courts to prove his title, but alleges that the 1918 session of the British Columbia Legislature in its dying hours and without opportunity for him to be represented, passed an act depriving him of the title and stripping him of his right to appeal to the courts.

The city council by resolution will ask the 1921 Legislative Assembly to amend the 1918 act to permit Mr. Gibson's right to go before the court on appeal. Mayor Gale pointed out to the aldermen that for years the municipality had endeavored to get cheaper coal for the citizens. Here was working interest in a large adjacent coal property, just what the city was looking for. The only condition was the city council was to assist Mr. Gibson in securing what every Britisher had a right to expect, his right to have a day in court.

The resolution that the council assist the proposition, while representatives were in Victoria, passed without a dissenting voice.

Boat Capsizes

DAWSON, Oct. 18.—Advices from Mayo say that a small boat overturned there recently and that a man was drowned while another swam ashore. The name of the victim is not known here.

CANADIAN POST AT WASHINGTON

English Provincial Journal Suggests That Canadian Be Appointed British Ambassador Representing Empire

LONDON, Oct. 18.—Discussing the question of the suggested Canadian Ambassadorship at Washington, The Manchester Guardian notes how Great Britain and America have met the suggestion with a truly paternal benevolence, but states that certain implications which the step involves being realized in Canada, some trepidation is caused there which The Guardian thinks is unnecessary. There seems some confusion about the nature of the ambassador's job. He is not a trade commissioner, but as the Old World understands him, he is a representative of the Government and the Government cannot easily be subdivided in foreign affairs.

Canadian the Best

"Therefore, by all natural and geographical tests, a Canadian is the best ambassador the rest of the British commonwealth could have at Washington." The Guardian says. "Why should not that particular benefit be got by appointing Sir Robert Borden to represent us all instead of raising all the awkward questions that would follow upon sending a galaxy of Bordens, Geddes, and perhaps Smuts and Hughes to embarrass Washington? Better in the meantime, at least, to pool one ambassador than multiply him. If Lord Robert Cecil can represent South Africa in the League of Nations, why not N. W. Rowell, for instance, represent the whole Commonwealth at Washington?"

LAST WAR HAS BEEN WITNESSED

Sir George Foster Says Another Great War Can Neither Be Permitted Nor Afforded

MONTREAL, Oct. 18.—"We have, I believe, lived through the last great world war," declared Sir George Foster, former Minister of Trade and Commerce, speaking before the Montreal Women's Club yesterday afternoon. It could neither be permitted nor afforded, he added. Science had discovered destructive machinery and was further discovering it to such an extent that a world war in the future would go far toward destroying not only the accumulated wealth of the world, but also its life and morale.

The coming Washington conference on limitation of armaments would, in his opinion, mark the greatest step which ever had been taken if it succeeded, and if it failed it would be a disappointment and retrograde movement. Therefore, my argument is that it will not fail, he concluded.

SINKING OF YACHT CAUSES BIG LOSS

General Baron Wrangel's Personal Fortune and Valuable Documents Go Down With Vessel

CONSTANTINOPLE, Oct. 18.—Baron Wrangel's personal fortune, his wife's jewels, valued at 40,000 francs, and important documents of the Crimean Government, were lost Saturday when the yacht Lucullus, on which the head of the former anti-Bolsheviki government in South Russia lived, was sunk by the British steamer Adria. In addition there were valued mementos presented the General by the late Emperor Nicholas. Investigation has proved the accident was due to a swift current.

The yacht rests in 70 feet of water, and it is thought divers may be able to secure part of the treasure.

Former Minister Leaving

EDMONTON, Oct. 17.—Hon. George P. Smith, late Minister of Education for Alberta, announced today that he is disposing of all his interests in Alberta and removing to Ontario. This announcement disposes of reports that he is to be a candidate in the coming Federal election.

BRITISH HOUSE AUTUMN SESSION

Little Interest Displayed in the Event Owing to Premier's Deferred Statement on Unemployment

LONDON, Oct. 18. — Parliament opened today for its Autumn session, but interest was diminished by the announcement that Prime Minister Lloyd George had deferred until Wednesday his important statement relative to unemployment.

The session is intended to be brief, business being limited to one topic, unemployment, though financial matters inseparable from the business situation must necessarily be handled.

SIR ROBERT BORDEN TO REPRESENT CANADA

OTTAWA, Oct. 18.—The Canadian Government has appointed Sir Robert Borden, K.C.M.G., as representative for Canada at the Washington disarmament conference. It was officially announced this afternoon. Loring C. Christie, legal adviser to the Department of External Affairs, will attend as a member of the secretariat.

OTTAWA, Oct. 18—Sir Robert Borden stated this morning that any official announcement as to his representing Canada at the disarmament conference at Washington would have to be made by Right Hon. Arthur Meighen, Prime Minister. It is practically assured, however, that Sir Robert will attend the conference. Mr. Meighen left Ottawa this morning and will speak at Spencerville this afternoon.

TIME LIMIT FOR DOLES EXTENDED

Further Period of Benefit Granted to Six Hundred Thousand British Employees Given for Sixteen Weeks

LONDON, Oct. 18.—It is officially announced that six hundred thousand employees who have exhausted their unemployment benefit will be entitled, on November 3, to begin a further period of benefit amounting to 15 shillings weekly for men and 12 shillings for women for 16 weeks, which may be later extended to 22 weeks.

The official returns show unemployment among trade unionists as steadily improving. Unemployment fell to 14.8 per cent at the end of September compared with 16.3 at the end of August. The cost of living for the same period declined 10 points and is now 110 points higher than before the war.

LEGISLATURE IS FORMALLY OPENED

Continued from Page 1

wards the front portion of the chamber. Of the forty-seven members of the House seven were absent, Dr. Sutherland, Revelstoke; Mr. M. A. Macdonald, and Capt. Ian Mackenzie, Vancouver; Mr. W. A. MacKenzie, Similkameen; Mr. David Whiteside, New Westminster, and Mr. R. H. Pooley, Esquimalt.

Lieutenant-Governor Nichol, on arrival at the main entrance of the legislative pile, where a guard of honor of 100 men of the Princess Patricia Regiment, under command of Major Clarke, M.C.; Capt. J. H. Carvosso and Capt. J. S. Woods, presented arms, alighted and after inspecting the guard, entered by the main entrance to the rotunda, where his naval and military escort was awaiting his arrival. Preceded by his escort, which ranged themselves on either side of the central aisle, His Honor entered the chamber attired in Windsor uniform, and was met at the Speaker's dias by Sergeant-at-arms O'Hara holding the mace. As His Honor mounted the dias the entire assemblage stood until he seated himself. He was accompanied by his private secretary, Mr. H. J. C. Muskett, and his military aide, Capt. Carew Martin, M.C.

Services Represented

His Honor's escort was composed of the following officers: Of the Navy, Commander E. A. E. Nixon; Engineer - Lieutenant Commanders Clarke and Jefferson, and Lieutenants Laurie and Beech; of the military forces, General Ross, D.S.O., C.M.G., D.O.C.; Brig-General R. P. Clark, D.S.O., C.M.G., M.C.; Inspector Shoebotham, R.C.M.P.; Colonel Bennett, D.S.O.; Colonel Flick, D.S.O., C.M.G.; Colonel Greer, Colonel Lorne Drum, Majors Pridaux, L. W. S. Cockburn, Goodeve and Sherman, Captains Spinks, Cummings, Flinter, Campbell, Westmoreland, Gordon, Smith and Dunsford, and Lieutenants Broadbrook and Hill.

The Speech from the Throne was a short one, and was read by His Honor in distinct tones. Concluding his reading of the speech, His Honor withdrew, accompanied by his escort, and Mr. Speaker Manson took his chair.

Prayers were read by Rev. W. D. Spence, pastor of the First Congregational Church, concluding with the Lord's Prayer, which was recited by the assemblage.

Some items of routine business were then proceeded with, chief among which were resolutions presented by Premier Oliver providing for the printing of the votes and proceedings of the House, providing for the select standing committees, and the customary motion promising penalties against any member who, should it so appear, was elected to the Legislature through bribery or other corrupt practice.

Public Accounts

Hon. John Hart, Minister of Finance, presented the public accounts for the fiscal year ended March 31, last, and Premier Oliver presented a statement showing the financial position of the Pacific Great Eastern Railway up to June 30, 1921, and a supplementary statement setting forth loans made to that project up to September 30 last.

The customary practice of introducing one bill at the opening sitting was followed, Attorney-General Farris introducing a bill to amend the Summary Convictions Act to provide that where a corporation is convicted of an offence punishable with imprisonment, the corporation may, in lieu of the prescribed punishment, be fined in the discretion of the Justice before whom it is convicted.

The House then adjourned until 2 p.m. this afternoon.

Speech From the Throne

The Speech from the Throne was as follows:

"Mr. Speaker and Members of the Legislature:

"In summoning you to meet for the second time within the calendar year, I am fulfilling an undertaking given by the Premier during the First Session of the Fifteenth Legislative Assembly of British Columbia.

"During the recess investigation has been made into the financial conditions of the municipalities, and legislation will be submitted providing for extension of the sources of their revenues.

"Amendments to the Taxation Act will be submitted in order to apportion more equitably the burden of taxation on all classes of property and persons.

"Progress has been made on the construction of the Pacific Great Eastern Railway; and it is estimated that the financial provision made at the last session of the Legislature will prove adequate for the completion of this line to Prince George.

"Valuable information respecting a feasible route to connect the Coast with the Interior links of the Transcontinental Highway has been assembled, permitting decision of the route to be selected and early undertaking of construction of this important link.

"Having in view the better investigation and prevention of fires, a measure will be laid before you extending the work of the Department of Insurance.

"Minor amendments to the Government Liquor Act will be submitted.

"Amendments to the Mineral Act will be laid before you.

"Further amendments to the Placer-Mining Act will be proposed.

"The Public Accounts for the past fiscal year will be brought down at an early date.

"The estimates of Expenditure for the ensuing year will be submitted for your earnest consideration.

"Members of the Legislature:

"In leaving you to your deliberations, I have confidence that you will apply your best endeavors to the solution of the problems before you, and I pray the blessing of Providence on your labors."

VETERANS TALK ABOUT UNITING

Continued from Page 1

Mr. Maxwell advocated federation because it seemed to be the only logical thing. It was better to try that first, before embarking upon anything of a larger scale. The G. W. V. A. had always been in unity, but the thing could not be rushed.

Mr. MacNeil gave a resume of the negotiations which led up to Sunday's conference.

J. V. Marsh, secretary of the G. A. U. V., declared his association had never advocated immediate amalgamation, but he believed with "a government threat, of fifty per cent pension bonus being cut off" it was time for unity of some sort.

Captain W. Vaughn, Winnipeg, secretary of the Imperial Veterans, said his association had no axe to grind. He hoped to see the returned soldiers organized under one head, with two branches, one for Canadians and one for Imperials.

G. R. McNicholl, Hamilton, president of the G. A. U. V., also advocated unification in some degree as soon as possible.

Fraternal Delegates Questioned

Fraternal delegates of the G. A. U. V. were then interrogated by a number of delegates regarding the G. A. U. V. constitution, to which Mr. Marsh responded. The bone of contention, up to adjournment, was regarding the political clause in the G. A. U. V. constitution. How could Mr. Marsh reconcile the clause in the constitution advocating direct representation in legislative bodies with a statement made by Mr. Marsh to the effect that his association was non-political?

Mr. Marsh declared the Dominion executive of the G. A. U. V. went on record two weeks ago that the amalgamation delegation would be non-political, having been empowered at the Winnipeg convention to do so when amalgamation was advocated.

Canadian Legion

The question was also asked on all sides regarding the Canadian Legion. Who comprised the membership; who were its leaders; and what were its objects? Was the G. A. U. V. at the back of them? As far as Mr. Marsh knew, there was no connection whatever. If co-operation between the two bodies was going on in Winnipeg, as intimated by a delegate, it was being investigated.

H. L. Howe, Toronto, and a delegate, said he was on the temporary executive committee of the Canadian Legion, and its objects were to stir up the minds of returned men to the benefits, which, he said, would result in unity. They were not out to destroy, but, on the other hand, were worthy of support of the G. W. V. A. It was fulfilling its objects in the present negotiation for unity.

The relation of housing to unemployment was dealt with in a resolution which drew the attention of the Dominion Government to an extract from the recommendations of the last parliamentary re-establishment committee to the effect that a loan to soldiers for housing purposes would go a long way to check unemployment.

Interior Passports

The suggestion that qualified persons should be granted an "interior passport and a certificate of Canadian citizenship," without which he could not secure Government employment, was withdrawn and will be dealt with under the heading of "naturalization."

An unemployment resolution adopted this afternoon recommends that the Federal, provincial and municipal governments be requested that all labor contracts contain a clause providing for the employment of ex-service men to the fullest possible extent. There was discussion about this. It was claimed that several women were employed in Government offices, particularly the Department of Civil Re-establishment, whose places could be taken by unemployed returned men, because they were removed, it was hardly fair to ask a contractor to give a returned man any preference.

The final clause regarding unemployment was a request that all employers give preference to returned men when reducing staffs, by adding for that purpose, to his seniority, the time he gave to the service of his country.

"Babe" Ruth Mentioned

"Babe" Ruth came before the convention, but not in a home run capacity. He had, with other New York Americans, autographed a ball, and it was going to be either auctioned or raffled among the delegates to secure funds for the widows and orpharn, Mr. Maxwell said.

Senate Appointment

OTTAWA, Oct. 18.—A. B. Gillis, former M.P.P. for Whitewood, Sask., has been appointed to the Senate, completing the representation from that Province, it was officially announced today.

Select Laxative Medicine With Great Care

In debility and weakness, medicine should be mild and far reaching. Many pills and purgatives are too hard, are drastic instead of curative. Excessive action is always followed by depression, and knowing this, Dr. Hamilton devised his pills of Mandrake and Butternut so as to mildly increase liver and kidney activity, so as to flush out the system by toning and regulating the bowels. Thus do Dr. Hamilton's Pills eliminate poisons from the body, thus do they restore clearness to the skin, thus do they renew health and strength. To keep your system in healthy, good working order, regulate it with Dr. Hamilton's Pills. 25c all dealers or The Catarrhozone Co., Montreal. (Advt.)

A POLITICAL EXAMPLE

Dr. S. F. Tolmie, the Minister of Agriculture, has introduced a new tone into local politics inasmuch as in the course of an election campaign he does not belabor his political opponents. He has earned widespread respect because he deals with measures on the basis of their values. This was a characteristic of his speech at a meeting here on Monday night, when he passed in review questions of moment to this constituency, as well as touching briefly on the national issue of the election campaign. Dr. Tolmie is more concerned with the things which count in the interests of the people of the country than in the political fortunes of individuals and if all those who are endeavoring to secure power in Canada showed an equal restraint, then party politics would be purged of much which now lays them open to censure. It is measures more than men with which the country is concerned, but it is men of the type of the Minister of Agriculture who really interpret the desire of the people to get away from the policy of recrimination which besmirches every election campaign.

Dr. Tolmie has set an example which should be widely emulated. He has already proved to the people of this constituency that he will work for whatever is legitimately their right, and will do it with a whole-hearted, honest endeavor. The understanding he has shown and the ability which he has brought to bear on the performance of the onerous duties that have fallen to his lot have won him a national reputation of which the people of Victoria are rightly proud. They are proud, too, that it should have remained for a representative from this part of Canada to introduce a new tone into party politics, namely, divorcing from the consideration of public measures the practice of reviling one's political opponents.

THE FARMERS' PARTY

Mr. T. A. Crerar, leader of the Farmers' Party, in opening his campaign in Ontario, appears to have qualified the attitude of his organization on the issue of the political campaign. Although he has admitted time and again that the Farmers' policy is the ultimate adoption of free trade, he now says that the issue in the present campaign is not a straight one between protection and free trade. Mr. Crerar, if he is consistent, must give the people of Canada credit for ability to judge the logic of the situation. So far as the outcome of the campaign lies between the present Government and the Farmers' Party the issue is clearly defined. The present administration stands for the protection of Canada's industries, while the Farmers have avowed their intention of bringing about free trade by degrees. No one supposes that the followers of Mr. Crerar, if elected to power, would precipitate industrial chaos in the country by changing its fiscal policy overnight. Changes of that character must be brought about by degrees, but Mr. Crerar has plainly announced the goal of his party, which is, to quote his own words, "the ultimate elimination of the protective principle." All tariffs, no matter what casuistry may be applied to their definition, are protective in their nature, so that Mr. Crerar is pledged to free trade. Since he is he cannot with truth deny what Premier Meighen has defined as the issue of the present campaign.

In his manifesto to the electors, Mr. Crerar discloses one of the main objects of the Farmers' Party, and that is closer trade with the United States. There is not a word in it about the development of trade with Britain and the British Empire. He regrets that reciprocity was defeated in 1911, but he hints strongly at the possibility, if the Farmers are put in power, that they will have an opportunity to arrange a new reciprocity pact with Washington. In order to make his argument convincing he speaks of a possible agreement as designed to enlarge the United States markets for the products of Canada, but he says nothing of the effects of reciprocity upon Canadian industries which are striving to find a market at home. Mr. Crerar does not seem to have read the signs of the times aright in the restrictions placed by the present Government at Washington on Canadian products seeking a market in the United States. If he had he would understand what is the policy of the Republican Party, especially at a time when there are over 6,000,000 unemployed in the United States. During his election campaign, Mr. Harding said that "the Republican Party reaffirms its belief in the protective principle and pledges itself to a revision of the tariff as soon as conditions shall make it necessary for the preservation of the home market for American labor, agriculture and industry." That revision has already taken place, within a year of the presidential election, and consideration is now being given to the placing of further barriers against the products of this Dominion. On what assumption Mr. Crerar can hope that the United States will reverse its policy, so that imaginary benefits might be bestowed on this country, is not apparent. The facts of the situation are directly in opposition to the hope held out by the Farmers' leader.

Mr. Crerar is guilty of misleading the people in his manifesto and that is an inauspicious manner for a new party to enter the political arena. He says that the Government and "the interests behind it are just as frankly antagonistic today as they have ever been to the securing of the United States market for Canadian products." Nothing could be farther from the truth. What the Government is antagonistic to is opening up the Canadian markets so that they may be flooded by the surplus products of American factories, products which, because they represent the surplus output, could be sold in this country, if no tariff existed, at prices with which the smaller Canadian industries could not compete. Mr. Crerar does wrong in attempting to hoodwink the people and pointing alone to prospective benefits which might be derived by closer trade with the United States. The people of Canada would not welcome the opportunity to purchase goods at cheaper prices if, through the process by which this condition was brought about, their purchasing power had diminished and their own industries went to the wall through unfair competition. The Farmers are thinking in terms of agricultural implements and not in terms of the national industrial situation. They are practical-minded where their own immediate interests are concerned, but theorists where the prosperity of the Dominion is at stake. It is obvious from the tenor of their whole propaganda that their main concern, hardly disguised, is to legislate in their own interests.

CONFERENCE ON IRELAND

The dispatches dealing with the progress of the conversations between members of the British Government and the Sinn Fein delegates do not throw much light on the situation. One of the latest says that the Sinn Feiners "maintain their full separatist claim and still make the unity of Ireland an indispensable condition to membership in the British Commonwealth." This is obviously absurd, as if the Sinn Feiners are insisting on separation they would have ceased to discuss a Dominion status for Ireland. The truth is that the newspaper correspondents are engaging in sheer guesswork, and the secretiveness of the negotiations is being carefully guarded. To this extent the Irish question has passed the stage of open diplomacy. What are the prospects of a successful issue of the present conversations cannot be ascertained until Ulster is called into the councils now being held. It is first necessary to get a formula to which the Sinn Feiners will subscribe and then ascertain what Ulster's attitude will be.

The continuance of the negotiations tends to show that a basis for discussion of a settlement has been reached. It was a sine qua non to the gathering that Ireland's membership in the British Commonwealth should form the basis of discussion, and, since the discussion has been prolonged, it would seem that this principle must have been accepted by the Sinn Fein delegates. What they are bargaining for now is probably fuller control over Irish affairs than the British Government has outlined, and such unity in Ireland as would imply authority of the Dublin Parliament extending over the entire country, Ulster included. The definition of provincial and national rights will be one of peculiar delicacy where the future of Ireland is concerned, and a formula in this respect, satisfactory to the Sinn Feiners, may be wholly unacceptable to the Unionists of Northern Ireland, who are now showing a disposition to take the protection of lives and property in Ulster into their own hands.

The secrecy which is overshadowing the negotiations between the British Government and the Sinn Feiners is arousing suspicion in Ulster, if we may judge by the utterances of Sir James Craig. That suspicion should be allayed at the earliest opportunity. The hopeful features of the meetings at Downing Street are found in the fact that negotiations are continuing and that reports are now being circulated that Mr. Lloyd George may find it possible to attend the conference in Washington which is to deal with a reduction in armaments. It should be pointed out, however, that every calculation based on what is happening depends upon two considerations. The first is that the Sinn Fein delegates have to report back to the Dail Eireann. The second consideration is that Ulster has yet to be consulted. The facts of the situation must be faced, and, in effect, the only really tangible proof that there is progress being made towards a settlement is found in the ability of Mr. Lloyd George and his colleagues to have engaged the Sinn Feiners in conversations for so long.

C. N. R. EARNINGS FOR WEEK SHOW DECREASE

TORONTO, Oct. 18.—Canadian National Railway gross earnings for the week ending October 14 were $2,648,460, a decrease of $253,342 from those of the same month of last year. The gross earnings from the period from January 1 to date were $82,961,232, an increase of $4,314,349 over those of last year.

WELCOME NEW PASTOR TO VICTORIA CHURCH

First Presbyterian Congregation and Other Denominations Extend Greetings to Rev. W. G. Wilson

Eleven speakers, the majority of whom were ministers representing various congregations of other denominations in the city, on Monday evening joined in the chorus of welcome which was offered Rev. W. G. Wilson, newly-inducted pastor of the First Presbyterian Church, who has just arrived in the city from Moose Jaw to take up his duties here.

Rev. W. L. McRae, Interim Moderator of First Church, presided, and there were with him on the platform, in addition to the gentleman who was the subject of their eloquence, Rev. F. A. P. Chadwick, representing the Anglican Church of the city; Bishop Macdonald, the Catholic Church; Major Smith, the Salvation Army; Rev. Robt. Wilkinson, the Methodists; Rev. A. de B. Owen, the Reformed Episcopal; Rev. W. D. Spence, the Congregational; Rev. Wm. Stevenson, Baptist, and Mr. Walter Walker, who spoke for the congregation. Others of the ministerial brotherhood who were present in the body of the church were Rev. Dr. Maclean, Rev. Habershon and Rev. Jos. McCoy. Rev. Dr. Clay was called forward to speak for the Presbytery of Victoria, but modestly declined to assume a responsibility for which he had not been officially appointed, extending on this occasion only his own very warm personal greetings to the new pastor of the First Church and his wife. There were a few musical items, those taking part being Miss C. Hamilton, Miss Lily Christie and Mr. J. Petrie.

Late Pastor's Tribute

One of the interesting tributes to the new pastor of First Church was that from Rev. J. G. Inkster, who wrote from Toronto a message to his former congregation here, congratulating them on securing Mr. Wilson, whom he had known for many years and whose arrival in Victoria to take charge of the First Church he watched with interest. The message, which concluded with good wishes, was part of Mr. Walter Walker's address of welcome on behalf of the congregation. The recital of his own long connection with the First Church, dating back to the induction of their first minister in 1866, constituted an interesting part of Mr. Walker's address. He had, he said, been present at every service held in connection with the church since then, "with the exception of one, when the gas pipes froze." Mr. Walker was in no boastful mood, fearing that Mr. Wilson might have heard of First Church as "a dead and alive sort of thing." His adjuration to the new pastor was a quotation: "Heave awa'; We're no' dead yet!"

Baptist's Welcome

Rev. Wm. Stevenson recalled that Victoria had seldom any difficulty in getting ministers to come to the city. But they did not leave quite so easily. In fact he had never heard of any minister refusing to come here. Mr. Wilson would be told, before he was here very long, that Victoria was a sleepy city. But the forces hostile to Christianity were by no means dead; there was a mighty work to be done here by every Christian minister. Another thing which would certainly surprise the new pastor of First Church would be the great variety of cults.

"I expect some day to find a church here dedicated 'To the Unknown God!'" said Mr. Stevenson, following up his reference to the numerous cults. In conclusion this speaker reassured the newcomer of the fine interdenominational feeling which is to be found in Victoria. Nowhere else could the clergy come together on a more friendly footing to consider questions of mutual interest.

Regrets at Absence

Two letters were read by the chairman, one from Mrs. Schofield regretting Bishop Schofield's inability to be present owing to absence from the city; the other from Rev. G. H. Andrews, who was detained by a previous engagement.

Rev. F. A. P. Chadwick brought the Anglican Church welcome, referring to the discussion by the Lambeth Conference of the question of church unity. The Anglican Church was under a great debt to the Presbyterian Church and to its home, Scotland, which had given them the Archbishop of Canterbury, the Archbishop of York, and, more indirectly, Bishop Strachan, Primate of all Canada, Archbishop Matheson, Bishop Doull, etc.

Mr. Chadwick's advice to the congregation of First Presbyterian Church was twofold: First, to encourage their pastor; second, not to criticize him.

Catholic Bishop

Bishop Macdonald in his welcome spoke of the strength of union.

"Every strong church lends its strength to every other church," he said. He had long felt that the line of cleavage was between those who believed in Jesus Christ and those who did not believe. Those who did should stand together and help one another. He was glad to anticipate in Mr. Wilson a strong apostle of Christianity.

Rev. Mr. Wilkinson spoke for the Methodists of the district, and Major Smith for the Salvation Army. Rev. W. Spence, from the neighboring Congregational Church, recalled that he had followed Mr. Wilson to Guelph and had there heard all about his fine character and good work; now Mr. Wilson had followed him to Victoria.

What is Victoria?

Rev. A. de B. Owen asked Mr. Wilson's congregation to pray for him, to help him; not to worry him to death. And instead of discussing Victoria's natural beauties and climate—things which had existed for hundreds of years before anyone came here to claim credit for them—they should ask themselves what made Victoria as a city and as a personality among cities.

Rev. Dr. Clay's personal greeting of the new pastor (which he accompanied with some humorous corrections of previous speakers' statements) was followed by Mr. Wilson's response, which was refreshingly witty.

"You have listened with wonderful patience to eleven of my brethern while they talked about things more or less relevant. My own candid opinion is that you would all be better off in your beds," he adjured them. His more serious appreciation of the many nice things said in welcome to him and Mrs. Wilson he reserved to the last, expressing surprise at finding in Victoria such a unique spirit of fraternity among the churches. Surely with such moral support he should have little excuse for failure.

LABOR WILL QUESTION EVERY CANDIDATE

OTTAWA, Oct. 18.—A manifesto from the Dominion Trades and Labor Congress of Canada is being issued today to all affiliated unions, also to all trades councils and federations of labor throughout the Dominion, enclosing a questionnaire containing 11 questions to be asked of individual candidates for the Federal elections, and definite answers obtained as to the attitude of the candidates on the various points in the Labor programme.

PUBLIC ACCOUNTS SHOW FINANCIAL DEALINGS

Details of Revenue and Expenditures for Fiscal Year Ended March 31 Last Presented to the Legislature

In the fiscal year ended March 31, 1921, for which the public accounts were tabled in the Legislature yesterday by Hon. John Hart, Ministetr of Finance, the actual revenue derived by the Province aggregated $15,219,264, compared with an estimated revenue of $13,978,245, an increase over the estimated revenue of $1,241,019. On the other hand, expenditures in the same period totalled $19,626,680, compared with an estimated expenditure of $17,410,673. Of this outlay $4,389,749 was capital account charged to income, the total current expenditures having been $15,236,931, against an estimated outlay on current account of $13,960,711. The total outlay on current account was, therefore, $17,667 in excess of total revenue, or, including capital account charged to income, the total expenditures exceeded receipts by $4,405,416. Below is the statement of revenue and expenditures for the fiscal year:

Revenue

Current Account—	
Department of Agriculture ..	$86,167.68
Department of the Attorney-General	1,793,253.16
Department of Education ..	85,501.18
Department of Finance	8,621,627.52
Department of Fisheries	88,336.05
Department of Labor	23,103.30
Department of Lands	2,885,140.21
Legislation (Private Bills Fees)	5,655.50
Department of Mines	178,707.36
Department of the Provincial Secretary	295,502.02
Department of Public Works	73,726.28
Department of Railways ...	50,562.55
Total Revenue	$15,518,584.58

Expenditure

Current Account—	
Public Debt	$2,323,129.12
Legislation	124,748.27
Premier's Office	18,082.88
Department of Agriculture ..	332,846.71
Department of the Attorney-General	1,384,654.87
Department of Education ..	3,076,944.25
Department of Finance	528,528.55
Department of Fisheries	15,673.50
Department of Industries ...	16,476.10
Department of Labor	178,868.24
Department of Lands	1,507,951.14
Department of Mines	299,523.40
Department of the Provincial Secretary	3,218,813.60
Department of Public Works.	2,597,588.71
Department of Railways ...	144,311.06
Total Current Account ...	$15,238,981.35
Capital Account (charged to income)—	4,388,749.48
Total Expenditure (charged to income)	$16,528,588.58

Income Tax Leads

Details of the receipts for the fiscal year show some interesting facts. The largest single item of revenue was the income tax, which produced $2,005,973, against an estimated revenue from that source of $2,000,000. Some of the chief items of revenue compared with the estimated revenue therefrom were as follows:

	Actual.	Estimated.
Land Taxes—		
Real Property	$1,046,242	$1,115,000
Wild Land, etc.	661,811	980,000
Timber Licenses	1,526,542	3,300,000
Timber Royalties	881,557	1,575,000
Court Fees and Fines .	76,186	45,000
Game Licenses	134,140	120,000
Registry Fees	416,875	356,000
Motor Fees	552,088	650,000
Prohibition Act—		
Profit on Liquor Sold.	288,520	85,000
Personal Property Tax .	606,603	806,000
Poll Tax	263,583	60,000
Rural School Tax	213,389	175,000
Succession Duties	342,259	325,000
Coal and Coke Tax	216,425	185,000
Interest—		
Sinking Fund	320,398	200,000
Miscellaneous	330,176	450,000
Mineral Tax	119,242	150,000
Probate Fees	64,537	75,000
Rents, B. C. House	41,075	37,850
Land Sales	291,448	156,000
Mining Receipts	104,972	100,000
King's Printer	289,624	175,000
Dog Licenses	1,382	1,500
Fur Licenses	2,375	75,000
Water Rentals	57,389	60,000
Marriage Licenses	22,725	14,000
Mental Hospitals	88,353	95,000
Miscellaneous	876,288	75,788

Some Expenditures

Under the head of expenditures, Provincial police called for $434,971 against an appropriation of $411,900; Okalla Prison Farm, $74,962; Industrial schools, $71,897; Infants' Act and refuge homes, $33,750; witness fees, $29,477; grand and petit juries, $15,852; prosecutions and interpretors, $20,258; inquests, $9,101; constitutional litigation and general law costs, $14,361; administration of Prohibition Act, $43,456; mothers' pensions, $284,454; per capita educational grant to cities, $919,803; per capita grant to municipalities, $330,919; per capita grant to rural school districts, $131,985; teachers' salaries in assisted schools, $413,990; salaries of teachers in E. & N. belt, $88,289; new schools and repairs, $378,195; grant to University of B. C., $420,000; statutory grants to schools, $258,463; Agent-General's office, London, $79,011; Forest Branch, $182,862; Forest Protection Fund, $139,316; expenses of Land Department, $173,270; land surveys, $252,736; photo-topographical surveys, $39,762; forest reconnaissance, $31,189; returned soldier prospectors, $15,326; Provincial Board of Health, $73,338; Provincial Library, $20,726; mental hospitals, $643,203; grants to hospitals, $449,386; King's printer, $363,662; registration of voters, $91,033; Returned Soldiers' Aid Commission, $171,505; temperance plebiscite, $88,461; Provincial elections, $107,007; maintenance of Parliament Buildings, $121,138; maintenance of Government House, $21,790; district engineers, $61,403; steam boiler inspection, $34,717; roads, streets and wharves, $2,258,572, as against an appropriation of $2,373,900; steamboats, ferries and bridges, $201,052; relief of unemployment, $59,932; Fraser River bridge, $52,467.

Assets and Liabilities

The balance sheet for the year ended March 31 last shows capital assets of $48,483,331; current assets of $14,230,913 and deferred assets of $21,259,708, a total of assets of $83,973,972.

Capital liabilities were: B. C. stock and debentures, $46,511,436, and mortgage on B. C. House, London, $235,235, a total of $46,746,661, leaving a balance of capital assets over capital liabilities of $1,736,693.

In addition to direct liabilities of the Province the following securities as to both principal and interest have been guaranteed by the Province: Canadian Northern Pacific Railway Co., $40,157,522; P. G. E., $20,160,000; Vancouver and Districts Joint Sewerage Board, $3,233,233; French Complex Ore Reduction Co., $65,000; Agricultural Credits Commission, $1,000,000; Corporation of South Vancouver, $704,270; West Nicomen Dyking District, $87,900. Total, $65,407,337.

27-Inch Eiderdown Bathrobe Flannel, in a nice soft fleecy finish; shown in floral, conventional and Indian designs; also in plain colors, and nursery patterns. Special value, per yard, 98c.

WILL SELL ELK LAKE IF TAX IS GRANTED

City Council Will Oppose Saanich Application, and Majority Favor Disposal to Public if Plea Is Successful

If the municipality of Saanich insists that the city shall pay taxes on the Elk Lake watershed area and wins its case before the Legislature during the present session, the city will subdivide the property and offer it for sale to the public.

This was made virtually certain yesterday after several members of the City Council had given their views on the subject. They declared that in no case would the council be willing to pay taxes on the area, and that, while sale of the property would forever cancel all aspirations to convert the land into a public park and Summer resort, the only business-like course before the city would be to turn the area into cash.

Aldermen hold that Elk Lake will eventually be needed as a source of water supply for North Saanich, which at present is getting along with limited facilities. They argue that the area should be retained as a watershed for that purpose, and therefore exempt from taxes, and claim that while being so held nothing should prevent a part of the property being converted into a park. Because of the watershed possibilities, however, they are opposed to deeding it over as a park for all time, as requested by Saanich.

Waterworks Asset

As a watershed the city is able to charge it up as an asset against the waterworks debt. It is valued for that purpose at about $250,000. That is another important consideration, from the city's standpoint. But there are some aldermen who believe that it would be in the interests of the city to have the cash rather than the asset if taxation were insisted on, and that the quickest way to obtain this cash would be to subdivide the property and arrange for public sale, as was once before proposed in respect to a small section of the area.

A conservative estimate is that the land could be disposed of for about $300,000. The city is now spending about $5,000 in maintaining the land, and it has been figured out that if the land were sold and no more money spent on improvements, the investment that could be made with the proceeds in bonds or reduction of the debt would mean a difference of about $25,000 a year to the city's advantage, after counting in the interest on the sale price.

The Victoria members of the Victoria-Saanich Beaches and Parks Committee, including Mayor Porter and Aldermen A. E. Todd, George Sangster and E. B. Andros, will meet Friday afternoon to draft a reply to the Saanich council's notification that application for taxing privileges will be made at the present session of the Legislature.

VETERAN SEAFARER WILL SPEAK HERE

Capt. George S. Laing, for Twenty-Five Years With British Merchant Service, to Address Canadian Club

Captain George S. Laing, veteran British mariner, will address the Canadian Club here at a luncheon to be held Friday noon at the Empress Hotel.

For twenty-five years Capt. Laing was associated with the British merchant marine. He has been in almost every port of the world and has been a close student of seafaring in all its phases, foreign trade and port development.

As Captain Laing's visit to Victoria will coincide with the observance of Trafalgar Day, his appearance will have exceptional significance. He is known to be an eloquent and forceful speaker, and members of the club are looking forward to hearing him.

Members of the Women's Canadian Club will be admitted at 12:30. President R. C. Nicholas will preside.

Captain Laing spoke in Vancouver Monday, and was given a rousing reception.

METHODIST CHURCH MAKES RECORD GIFT

TORONTO, Oct. 18.—For the first time in its history, the Methodist Church in Canada has received in one year from its missions and circuits over one million dollars for the carrying on of its missionary work in Canada and in the Orient, according to figures presented at today's session of the General Board of Missions.

Farmer Killed by Auto

REGINA, Oct. 17.—When his automobile overturned on the road near Foam Lake Saturday evening, Edward Waldron, farmer of that district, was instantly killed.

FIFTY YEARS AGO TODAY

(From The Daily British Colonist of October 19, 1871.)

The Premiership—It is generally supposed that Mr. McCreight will form the first Ministry.

Expedition to Manitoba—The expedition to defend Manitoba from Fenians leaves Collingwood next Friday, under the command of Lieutenant-Colonel Osborne Smith, of Montreal. The force will consist of about two hundred men, who have been enlisted for six months, with the option of remaining a year and receiving a grant of land similar to that which was given to the volunteers of the first expedition.

Chicago Calamity—The whole civilized world is responding to Chicago's call for pecuniary assistance in the hour of her deep distress. England and Germany have done nobly in seconding America's efforts, and now comes our little Victoria City, with a heart welling over with sympathy, and contributes her share towards the fund. Several hundreds of dollars are already in the hands of the U. S. Consul for transmission, and Mr. Eckstein desires us to announce that both he and the Wells-Fargo agent in this city will receive contributions for the good object.

FAIRFIELD SCOUTS' PARENTS' MEETING

Session Monday Night Decided on Various Plans—Concert on November 10 at Cathedral Schoolroom

The monthly meeting of the Parents' Association of the Fairfield Troop of Boy Scouts was held Monday evening at the headquarters, there being present Mrs. S. W. Raven (in the chair), Mrs. Bruce, Mrs. Slater, Mrs. E. B. Chrowe, Mrs. Clark, Mrs. Oliver, Mrs. Bissell, Mr. Pamplin, Mr. Constable, Mr. E. Clarke, Mr. Raven, Mr. C. Frampton and the secretary, Mr. Slater.

Mrs. Slater, the treasurer, reported a balance of $277. Bills amounting to $12.35 were ordered to be paid, and $250 to Scott & Peden on account for food supplied to the Summer camp. The cost per boy per day was 62 cents, and as the boys were only charged 50 cents, the Parents' Association are undertaking to make up the balance.

Mr. Frampton reported that the Christ Church Sunday School room was available for November 10, and it was decided to hold a concert on that date. Several ladies and gentlemen were asked to supply half the programme and the Boy Scouts the other half. That day will be the second anniversary of the formation of the troop.

The Scoutmaster, Mr. C. Frampton, in his report dealt with the formation of a library, one of the rules of which is that no boy takes out a book until he had presented one to the library. Since camp the troop had been completely reorganised into four patrols. The secret of the patrol spirit was for each member to think a little less of himself than of the whole patrol; the whole to be greater than the unit. Patrol good turns were defined—"patrol to pick out one member and do him a good turn, and so on through the patrol." Patrol teas are to be held, patrols to visit one of their number and have tea and games, thus bringing parents in contact with their sons' companions. Also occasionally to send a patrol to another troop.

It was also decided to hold a sale of home cooking, vegetables, etc., Christmas trees and decorations by the Scouts on the Wednesday before Christmas. The Scout-Parent banquet—the real get-together— it was decided to hold on December 8.

He that defers his charity till he be dead is (if a man weighs it rightly) rather more liberal of another man's then of his own.—Bacon.

DECISION SUPPORTS FINDING OF FRAUD

Court of Appeal Judgment in Nechaco Valley Lands Case Set Out in Written Reasons of Chief Justice

Lengthy and costly litigation, involving the title to lands in the Nechaco Rivar Valley of a pre-war syndicate of local men, was advanced a further step to final settlement when the Court of Appeal, sitting in Vancouver last Thursday, pronounced judgment in the case of Greenizen vs. Twigg.

The appeal was taken by the plaintiff, Isaac Greenizen, a lawyar of Petrolea, Ontario, from the judgment of Mr. Justice Clement, who tried the case here in the Supreme Court last May. The trial judge dismissed the action, finding the plaintiff guilty of fraud in that he had concealed a private bargain with a member of the syndicate to convey the lands at $50 an acre, whereas the sydnicate was to be charged $75 an acre. The judgment was sweeping, inasmuch as it ordered a recission of the entire transaction; and that the plaintiff pay the costs of the action. The plaintiff appealed the judgment to the Court of Appeal.

The Court of Appeal allows the appeal in part. The court agrees with the trial judge that the plaintiff practised deceit and that defendants could found on it an action for damages. But the court is of opinion that the order for recission of the contract cannot be made operative, inasmuch as the syndicate deeded a portion of the land to the Government for townsite purposes; and is not now in a position to return the lands to the plaintiff as they were before the sale of them. The court, therefore, orders that the plaintiff shall have judgment for foreclosure; but that the defendants are entitled to judgment on their counterclaim, and that they should set off as against the claims of the plaintiff the sum of $25 an acre, being the difference between the real and the fictitious price of the land.

Both the trial of the action in the Supreme Court and the hearing of the appeal in the Court of Appeal attracted considerable attention in Victoria, where many of the parties reside, and where the trials took place. Messrs. W. J. Taylor, K.C., and J. R. Green appeared for the plaintiff; Mr. E. C. Mayers, of Vancouver, for Mr. H. Despard Twigg; Messrs. H. A. Maclean, K.C., and J. B. Clearihue, for the McGregor Estate; and Mr. H. B. Robertson for Mr. H. H. Landry.

The judgment of the Court of Appeal was unanimous; and the written decision of Chief Justice Macdonald is as follows:

Decision of Chief Justice

The action is for foreclosure of a mortgage and upon a guarantee of payment thereof.

The plaintiff in the year 1912 sold a tract of land containing upwards of 500 acres, situate on the line of the Grand Trunk Pacific Railway at the price of $75 an acre to a syndicate of which the defendant Twigg was trustee for the purpose of taking the conveyance and granting a mortgage back for the balance of the purchase money. After the execution of the conveyance and mortgage and a guarantee by members of the syndicate, the syndicate caused a joint stock company to be registered under the name of Nechaco River Estates Limited, to which company the trustees conveyed the land subject to the mortgage. The company then subdivided the land into townsite blocks of lots and registered a plan or map thereof in the Land Registry Office at the district in which the lands are. The Land Act, c. 129 of Revised Statutes of British Columbia, contains a provision entitling the Crown in right of the Province to a conveyance of one-quarter of the blocks of the lots of such a subdivision, and enacts that the lots selected by the Crown shall be conveyed to it before the map or plan shall be filed in the Land Registry Office. Whether or not the lots were so conveyed does not appear in evidence.

The mortgage monies falling in arrears, this action was brought and the substantial defence to it is that the plaintiff colluded with one of the members of the syndicate, now deceased, whereby such member was enabled to obtain a secret profit of $25 an acre.

In the conveyance from the plaintiff to the said trustee the price at which the land was sold was intentionally misstated by the plaintiff to be $75 an acre, whereas the amount actually to be received by the plaintiff was $50 an acre. The balance, unknown to the other members of the syndicate, was to be received by the said deceased.

Court Finds Fraud

I agree with the learned trial judge that the plaintiff's conduct in this case was wrongful and would found an action by the defendants other than the defendant executrix, for damages for deceit.

The defendants have counterclaimed for recission and for an account, but as recission cannot be decreed unless the defendants are able to reconvey the land it becomes necessary to inquire whether the defendants have shown their ability to restore the property to the plaintiff should recission be decreed.

The judgment dismissed the action unconditionally; it orders cancellation of the mortgage and guarantee; subject to the plaintiff's right to a reconveyance as after mentioned, it rescinds the sale and conveyance; it declares that upon reconveyance the plaintiff is to repay the purchase money received by him, but if reconveyance be not made, the counterclaim is to stand dismissed, and that restitution shall be sufficiently made by deposit with the Registrar of the Court of a duly executed deed of the land as subdivided, together with written consents on defendants' parts to the cancellation of the plan or map.

The Nechaco River Estates Limited is not a party to the action, but it is suggested that its assistance and concurrence can be obtained by the defendants in furtherance of the reconveyance. It is also suggested that the consent of the Crown may be obtained to the cancellation of the plan or map and to the giving up of its interest in the lots to which it is entitled. The effect of the judgment as I read it is to declare that restitution shall be deemed to be sufficiently made when the defendants have deposited with the Registrar a deed of all the interest of themselves and the said company in the land, together with their own written consents to the cancellation of the plan, leaving the plaintiff to do the best he can to recover the interest of the Crown. We have not been told by what authority the representatives of the Crown can give up the lots which the statute has declared shall be Crown property. Unless there may be clear statutory authority for the gift back to the company or to the plaintiff of these lots, the plaintiff will get by way of restitution the privilege of first, with the assistance of the defendants, persuading the Crown to make the gift, and if the Crown to make the gift, and if made, of taking the risk of its validity. I may say that I do not think the land granted to the railway company for right-of-way and station grounds are lands in respect of which restitution must be made. That was an independent transaction between the defendants and the railway company.

Collateral Cases

In support of the judgment we were referred to Lindsay Petroleum Company vs. Hurd L.R. 5 P.C. 221. That case fully sustains the finding of the learned trial judge on the first branch of the case. Their Lordships decreed recission upon condition that the land there in question should be reconveyed to the vendor. The only obstacle in the way of an absolute order was a suggestion that the company has ceased to exist and could not therefore reconvey. It was a mere suggestion not raised in the courts below and one which Their Lordships said in the circumstances, should not have been made before them, and which in all likelihood could be easily removed. They, however, thought it their duty to take notice of it in giving directions for judgment. I cannot think that that case can be relied upon in support of a case like the present one where the vendee has parted with the land and where his vendee has changed its character from that of wild or farm land to townsite lots, and as a consequence has given another a substantial interest in them. What was ordered by the judgment was not restitution at all, it was at most a return to the vendor of part of the land, together with consents that might facilitate him in endeavor to recover the balance.

The defendants by their pleadings have not specifically asked for damages for the deceit practiced upon them by the plaintiff. Mr. Mayers referred us on this point to the prayers in the counterclaims for an account, no doubt having in mind a similar prayer in Lindsay Petroleum Company vs. Hurd upon which Hurd was. In the event of the company's want of power to reconvey, ordered to refund to the company his secret profits. No such order was made against the other defendant, for the manifest reason that while Hurd was adjudged to have stood in a fiduciary relationship to the company, the other defendant had not. The like situation exists here. Mr. McGregor was so related to the syndicate of which he was the promoter, but no relief such as was given against Hurd is claimed against the defendant executrix. The case of Lindsay Petroleum Company vs. Hurd was tried in the Ontario Court of Chancery before the passing of the Judicature Act, and while there is no prayer for such relief beyond the omnibus one, yet the evidence is all before us and if it is necessary to amend the prayer, which I doubt, I would amend it to include a clause for damages against the plaintiff. The damages which ought to be awarded is the difference between the real and the fictitious price, namely $25 per acre. In my opinion the judgment should be set aside and the usual judgment for foreclosure should be directed with a reference to take the accounts on which reference the sum awarded for damages should be set off against the mortgage monies with all due adjustments of interest.

Costs of appeal should follow the event. The plaintiff is entitled in the court below to the costs of the action, and the defendants, other than the said executrix, to the costs of their counterclaims.

(Signed) J. A. MACDONALD, C.J.A.

It is a common remark that men talk most who think least; just as frogs cease their quacking when a light is brought to the water-side.—Richter.

LEGISLATURE STARTS REAL BUSINESS TODAY

Mr. J. B. Clearihue, Victoria, Will Move Address and Mr. A. D. Patterson, Delta, Will Second It

Following the formal opening ceremonies in the Legislature yesterday afternoon the House will get down to work today with the first business, the moving of the Address in reply to the Speech from the Throne, an honor which this session goes to Mr. J. B. Clearihue, Liberal member for Victoria, who will inaugurate the debate which, in past years, has given all members of the House who so desire it, opportunity to express their views.

While the debate is supposed to be confined to the subject matter of the Speech, members are given a wide range, and while the Government supporters emphasize their belief of the merits of the record of the administration, the opposition speakers are afforded opportunity to divest themselves of their opinions of that same administration. The address in reply is sometimes useful as keeping the House occupied while the Government is formulating its programme and getting business for the House tined up. Last year the debate was substantially curtailed, only a moderate number of members participating therein. This year it is not expected to drag out for any undue length, and it is likely that by the time seven or eight of the Government side, an equal number on the Conservative opposition benches, and some of the Independents have unburdened themselves of their ideas, the debate will be terminated.

Mr. Patterson Consents

For the past few days there has been uncertainty as to whom would fall the duty of seconding the address, and the decision was not reached until late yesterday afternoon, when the honor was thrust upon Mr. A. D. Patterson, Liberal member for Delta, who was first slated for the duty, but refused on the plea that he preferred some member of lengthier service in the House to undertake the task.

Of the seven members who were not present at yesterday's opening ceremony, Dr. Sutharland, Liberal member for Revelstoke and chief Government whip, is absent in the East attending the centenary of McGill University, and he will not be back for some days; Mr. M. A. Macdonald, Liberal member for Vancouver, is candidate for election in the coming Federal contest in Burrard riding, and Dr. W. O. Rose, Conservative member for Nelson, has also entered the Federal field, and it is likely that neither of them will be seen in the Legislature this session, but pair off. Mr. R. H. Pooley, Conservative member for Esquimalt, and Mr. W. A. MacKenzie, Conservative member for Similkameen, were unable to attend yesterday's ceremony, but will be in the House today. Mr. David Whiteside, Liberal member for New Westminster, is also expected over this morning.

Hon. Mary Ellen Smith, senior Liberal member for Vancouver and Minister without portfolio, received a hearty greeting yesterday when she entered the chamber. She was late in arriving at the ceremony and her entrance was a signal of applause from the members on the Government side.

In Cabinet Seats

In the arrangement of members' seats for this session Hon. Mrs. Smith finds herself seated on the Government side alongside the seats occupied by members of the Cabinet, on the right of Mr. Speaker. In previous sessions she occupied a seat on the left of the Speaker.

Government members attended a lengthy caucus session yesterday morning, and the Conservative opposition met in caucus after the afternoon opening ceremonies were concluded.

Mr. Speaker Manson is ordering some changes in the old-time practice of the Legislature. Commencing today the clerk of the House and law clerk will be seated at a fine mahogany table placed in the aisle leading from the bar of the House to the Speaker's dais. The mace, which has reposed on the table in front of Mr. Speaker, will be placed at the end of the table nearest the bar of the House, reposing upon a dainty cushion, and the sergeant-at-arms will be provided with a desk adjoining the bar and to one side. This arrangement is based upon the practice in vogue in the Imperial House of Commons at Westminster and in the Federal House at Ottawa.

Mr. Speaker Manson would also like to see the pages in some sort of uniform, though it is hardly likely that any such change will be effected at this session. Mr. Speaker makes it clear that he is going to insist on correct House procedure and etiquette this session, though he will be ready to allow every reasonable latitude to members, but he feels that in some respects stricter observance of the rules is proper and timely, and he proposes to see to it that such is forthcoming.

OBITUARY NOTICES

LEAL—Service was held yesterday afternoon at 2:30 o'clock at the Thomson Funeral Home, 1625 Quadra Street, for Mrs. Alice Mary Leal, who passed away on Sunday, October 16th. Mr. R. C. J. Were officiated at the service. The casket was covered with many beautiful floral designs, showing the high esteem in which the late Mrs. Leal was held. The following acted as pallbearers: Lt.-Col. H. J. N. de Salis, Robert Hamilton Smith, D. Leeming, D. W. Bates, S. H. Borradaile, C. W. Owen. Interment was made in Ross Bay Cemetery.

DURHAM—The funeral of Mrs. Sarah Durham will take place this afternoon from the B. C. Funeral Chapel at 2:15 o'clock, proceeding to the Metropolitan Church, where service will be conducted by the Rev. C. M. Tate, after which the remains will be laid to rest in Ross Bay Cemetery.

MACDONALD—The remains of Mrs. Marjorie Macdonald, wife of Mr. Maynard F. Macdonald, of 1455 Fort Street, will be laid to rest in Ross Bay Cemetery this afternoon. The cortege will leave the B. C. Funeral Chapel at 2:30, proceeding to St. John's Church, where service will be held, Rev. F. A. P. Chadwick officiating.

Dainty Blouses

—the Values Are Really Surprising at

$7.95

The over-blouse has relinquished not the least little bit of its wide popularity, and the reason why will be plain when you see these charming effects in mignonette and tricolette, in both plain and novelty weaves. Combination dark tones and lighter hues, such as algonquin, honeydew, jade, sand, etc., are plentifully provided.

At this same price beautiful effects in Georgette are also displayed.

City and District in Brief

Meeting on Friday—The monthly meeting of the Diocesan Board of the Women's Auxiliary will be held at St. Jude's Church on Friday, commencing at 11 a.m.

Old Country Mail—Arriving on Monday from the Old Country were ten bags of letters and nine bags of mail, which left Liverpool on the Olympic on Tuesday, October 4.

Guild of Health—The Very Rev. Dean Quainton will deliver the address at the weekly meeting of the Guild of Health in the Cathedral Schoolroom this evening at 8 o'clock.

Entertain Newsboys—Another of the series of entertainments being given for the newsboys at the Strangers' Rest, will take place tonight at 6:45, when supper will be served to the lads, after which Mr. Fuller will address them.

Lecture at St. Andrew's—A lecture will be given in St. Andrew's Church this evening by Rev. D. MacLaren on "Missions in the South Sea Islands." The lecture will be at 8 p.m. and will be illustrated with a fine collection of colored lantern slides.

Port Authorities' Convention — Among those present at the meeting in Vancouver were Mr. Norman Yarrow, representing the Inner Harbor Association of Victoria; Lieutenant-Colonel A. W. R. Wilby, Agent of Marine and Fisheries, and Captain Goodlake, of the Rotary Club.

Work Wanted—The ladies of the Esquimalt Friendly Help Society would be glad if anyone in the district having gardening or any odd jobs to do would communicate with the secretary, Mrs. Gould, telephone 3709, as several men out of work would be glad of such employment.

Veterans of France — The regular semi-monthly meeting of the Veterans of France will take place on Thursday next in their clubrooms, Douglas Street, at 8 p.m. A full turnout of members is looked for, as the amalgamation question and other pressing matters will be dealt with during the evening.

Gaelic Society Dance—The Gaelic Society will hold a dance tonight at the Orange Hall on Courtney Street. A concert programme will be one of the main features of the evening, the following taking part: Major Cameron, Mr. and Mrs. Pye, Mrs. Duncan, Mrs. Jameson, Miss MacIntyre, Mr. Hudson, Mr. Taylor and Miss Pratt. The concert will start at 8 o'clock.

Concert at St. Columba—The second of the series of entertainments planned for the Fall and Winter by the entertainment committee of St. Columba Presbyterian Church, Oak Bay, will be a grand concert tomorrow evening, in which a number of local artists will take part under the direction of Mr. J. W. Buckley, the well-known basso. There will also be readings and recitations.

Andet Hospital Ball—Members of Victoria Lodge, No. 83, Daughters of St. George, voted $10 last night at their regular fortnightly meeting towards tonight's dance at the Empress Hotel in aid of the Jubilee Hospital. It was decided to hold a social and dance in the Foresters' Hall, Broad Street, on November 7, Mrs. Penketh being appointed convener of the affair. Mrs. N. Harris, the president, presided over the meeting.

"Shocking" Condition—The "shocking" condition of Esquimalt Road between the Point Ellice Bridge and Springfield Avenue was again brought to the attention of the City Council Monday night by Mr. R. H. Pooley, M.P.P. The matter was left to the chairman of the Streets Committee, Ald. George Sangster, and City Engineer F. M. Preston. They are authorized to make any temporary repairs they may consider worth while.

Well-Baby Clinic—The mothers of Saanich are requested to bear in mind that a Well-Baby Clinic will be held at the Health Centre, Royal Oak, on Friday next. A Jitney service has been arranged as follows: From Supply Store, Davida, at 1:45 p.m.; Milgrove Grocery, Burnside, at 2:15 p.m.; Garcon's Grocery, Boleskine Road, 1:45 p.m.; Riley's Drug Store, Douglas Street, 2:15 p.m.

Rev. J. W. Storey Lectures—This evening the Rev. J. W. Storey is giving an illustrated lecture in the schoolroom of the Centennial Methodist Church, on Burma, "The Land of Paddy and Pagodas." Having spent three and a half years in that country, Mr. Storey is well versed in his subject and presents it in a most interesting and entertaining manner, which makes it well worth anyone's time to attend.

Girls' Corner Club—The next meeting of the club will be held on Thursday in the I.O.O.F. Hall, Douglas Street, at which the ladies of the Church of Our Lord will assist. Supper will be served at 6:15 p.m., to which all business girls are cordially invited. Mr. B. C. Grenman, of Toronto, well-known editor and Bible expositor, has promised to be present and will give an address at 7:15. This meeting will be open to the public and all friends are cordially invited.

Seghers Council Dance—A very enjoyable dance was held last night at the Knights of Columbus Hall, Government Street by members of Seghers Council of the Young Men's Institute. About 200 guests were present and joined in the dancing to the strains of Meary's orchestra. During the evening refreshments were served. The committee in charge of the affair was as follows: Chairman, Mr. F. X. O'Neill, and Messrs E. J. Leonard, A. B. McNeill and J. Smith.

Provincial Police Court—For unlawfully having nine blue grouse in the shop of V. Paul, Johnson Street, Richard Veness was fined in the sum of $30 by Magistrate Jay in the Provincial Police Court yesterday. The further charge against the accused, of having a greater number of game birds than the daily bag limit allowed by law, was dismissed. The charges arose out of evidence given in the recent prosecution of V. Paul, who keeps a fruit stand on Johnson Street, in which Paul was acquitted.

St. Joseph's Auxiliary Bridge—The Ladies' Auxiliary of St. Joseph's Hospital is holding a bridge and five hundred party at the Empress on Tuesday evening, October 25, commencing at 8 o'clock. Thirty tables are being arranged for the players, and those wishing to make reservations may do so by telephoning No. 309. The proceeds of the undertaking will go to the Ladies' Auxiliary Fund. A musical programme will be given during the evening, the items of which will be announced later.

Hallowe'en Dance—Final arrangements were made at the meeting of the Camosun Chapter, I.O.D.E., Monday afternoon, for the Chapter's Hallowe'en dance, which will take place on October 28 at the Alexandra House. Heaton's orchestra has been engaged for the event, and prizes will be awarded the best dressed children, who will join the dance from 4 o'clock until 5, while adults will take part from 8 until midnight. Witches in picturesque garb will add a touch of mystery to the affair, and many old-time Hallowe'en frivolities, such as bobbing for apples, will be introduced into the programme.

Giant Mushrooms—In the window of the Victoria and Island Development Association are two giant mushrooms, the larger of which is eleven and a half inches in diameter. These mushrooms were pulled on Tuesday morning last by Mr. Angus, of Rockland Avenue, and presented to the Association by him as evidence of the geniality of Victoria's Autumn weather. It is a well-known fact that mushrooms cannot stand frost, and such well-developed specimens are proof positive that there has not been a breath of Winter weather in this vicinity yet.

Supporting Band Movement — Mr. James Beattie, chairman of the Chamber of Commerce, will introduce the G.W.V.A. Band at their first Sunday evening concert at the Capitol Theatre on Sunday evening next. This is a favorable augury of the trend of public opinion, and is actually an indication of the generous sympathy which the band concerts have from the various public-spirited organizations of the city, the Kiwanis Club, the Gyro Club and the Rotary Club also having expressed their endorsation of the continuation of the Winter programme.

Pension Scheme Shelved—The City Council on Monday night definitely shelved until next year a proposal to establish a pension fund for city employees, according to the terms of the Superannuation Act. The Finance Committee reported as follows: "In view of the statement received from the city comptroller, which shows the total contribution covering the pension fund for all departments, amounting to some $15,000 yearly, it is inadvisable at present, owing to the city's finances, to adopt a scheme of superannuation for all employees, and we therefore recommend that this matter be referred to the 1922 Council."

Prison Sentence Imposed—Lee Tong was sentenced to three months' imprisonment by Magistrate Jay in the City Police Court yesterday on a conviction of having opium in his possession at his room at 1706 Government Street. For being found in the place, an opium den, Sam Lee was fined in the sum of $25. Magistrate Jay refused to consider a plea from Lee Tong for a fine in lieu of the prison sentence, His Honor remarking that the accused was too old an offender to merit leniency. Evidence for the prosecution was given by two members of the Royal Canadian Mounted Police.

Seamen Acknowledge Gifts — Another encouraging letter has been received by the Ladies' Guild for the Sailors' Club, Esquimalt, from the men of the Givenchy, which went on the rocks on September 3. The ladies no sooner heard the news than they packed boxes with dry clothes, woolen socks, cake, cigarettes, etc., and sent them to the marooned seamen, whose acknowledgment for the gifts has just come to hand in the following note, signed by the members of the crew: "We, the undersigned members of the wrecked steamer Givenchy, wish to express our appreciation of your thoughtfulness and kindness in forwarding the articles of clothing, etc., which we received this morning, and which, we assure you, were very acceptable."

Ladies' Auxiliary to A. and N.V.—There was a good attendance of members at the meeting yesterday of the Ladies' Auxiliary to the Army and Navy Veterans, which met at the Arcade Cafe, with the president, Mr. Chapman, in the chair. Good reports were received from the recently held silver tea and "500" card party, and the sum of $5 was voted to the Hospital ball. The fortnightly military "500" party, which was arranged for this evening, has been postponed until Wednesday, October 26, when Mrs. Chambers will be in charge, assisted by Mrs. M. McDonald and Mrs. B. M. Johnson. A special meeting will be held on Thursday afternoon at 2 o'clock, at the home of Mrs. H. Chapman, Courtney Street, in order to discuss matters in connection with the Toronto convention.

British - American League — A luncheon of the executive of the British-American League was held yesterday, and was attended by nearly all the members at present in the city. These included Mr. H. B. Mosher (American Consul), who is on the league executive; Messrs. Lindley Crease, K.C.; C. T. Cross, J. C. M. Keith, H. Charlesworth, David Leeming, Wendell B. Shaw, Percy Abell, J. O. Cameron, Rawlinson, F. S. Winslow and Captain Bawden. A good address was delivered by Mr. Charlesworth on the educational objects of the league. An instructive discussion took place, after which speakers were selected for various meetings. The Kiwanian idea of a British-American Day was strongly supported. The next luncheon will be held on Tuesday, November 1, at Spencer's tea rooms.

Young Men's Club Meets—The first regular weekly meeting of the Young Men's Club of the Y.M.C.A. was held last evening at the Association headquarters, some sixteen young men between the ages of 21 and 30 being present. Following supper a varied programme was put on by the various committees. There was a singsong. Mr. A. C. Smith gave a short address on "Service." Members became acquainted through an introduction stunt; a guessing contest in which the members had to estimate the combined weight of three men, was held; a talk was given by Physical Director Walter Maguire on "The Three M's," having reference to muscles, mind and morals; and a personal efficiency reconnaissance was staged under the direction of N. F. Fullen. As chairman of the Membership Committee, Jack Bartholomew explained a method by which he hoped to increase the membership.

Retail Clerks' Association—At the regular meeting of the above association, held last night, one of the subjects under discussion was the union store card. The members were unanimously of the opinion that members of the labor organizations in particular should make a point of dealing with stores which displayed the card. It was strongly emphasized also that the public generally should have their attention drawn to the fact that the union store card stood for a good guarantee that the staff employed in those stores were being paid fair salaries and were efficient. The sports committee was congratulated upon the success of their efforts in organizing the Wednesday Football League. Schemes for an organizing campaign were also discussed, and a committee requested to report as to suggested lines of effort to next meeting on November 1.

RAIL STRIKE THREAT HITS INDUSTRY HERE

Market for Lumber Is Improving, But Transport Uncertainty Discourages Increased Output

The threatened railway strike in the United States and its possible effect on freight rates are factors of exceptional importance to British Columbia lumber interests, according to Mr. J. O. Cameron, president of the Cameron Lumber Company, who stated yesterday that the railroad uncertainty was practically the only reason for keeping his company's big Victoria mill shut down.

"The lumber situation is improving, but it is a very slow process, and just at present we don't see that we would be justified in resuming operations with the railroads in their present situation," said Mr. Cameron. "I expect the plant will be running again, however, in a few weeks. We are ready to open at short notice. Our organization is intact, and, while the mill has been closed down for a long while, we have had as many as 100 men engaged at times, working in the yards."

Mr. Cameron said that the Genoa Bay mill, which has been operating continuously on export orders, broke even last month for the first time since Spring. Reduction in wages, coupled with lower prices for logs, were given as the governing factor.

"Rail trade is still discouraging, but export business is decidedly good, with every prospect for even better conditions ahead," said Mr. John D. Kissinger, manager of the Canadian Puget Sound Lumber Company. "We have been shipping baby squares to Japan, and railroad ties, merchantable stock and commons to China. We are loading a cargo for Australia shortly."

Close Log Camps

Mr. Kissinger said that the company's logging camps at Cowichan Lake have been closed down for the Winter and that new equipment will be moved in in preparation for resumption of operations in the Spring. New rails will also be laid, bringing the total trackage operated by the company to about four miles.

Prices are generally firmer. Clears have advanced considerably and a new list has been issued to cover commons—the first list to be compiled for months, as the market has been so depressed that operators would accept almost any price and did not govern themselves to any set standard.

At a meeting of the shingle manufacturers held last week it was decided to try to stabilize prices, and the following prices were fixed: Shingles, per thousand, $4; Eurekas, $4.50, and perfections, $5. It was further decided that no matter what the log conditions are or the market in general, the shingle manufacturers will not raise their prices more than 25 cents per thousand over the above prices.

Practically all the shingle mills in British Columbia are operating and cutting to capacity and it has been decided to continue the present wages in the mills as long as the market holds steady. Orders on hand at present will run the majority of the shingle mills until December 15, but no quotations have been made into 1922.

Cedar logs have not been as firm for over a year as they are now. First-class cedar logs bring $21, with other grades down to $17.

There is a limit at which forbearance ceases to be a virtue.—Burke.

SAGE TEA DARKENS HAIR TO ANY SHADE

Don't Stay Gray! Here's an Old-Time Recipe That Anybody Can Apply

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied, with wonderful effect.

But brewing at home is mussy and out of date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two it becomes beautifully dark and glossy.

(Advt.)

N. F. Parliament—The second session of the Young People's Parliament, which is being conducted fortnightly by the Y. P. Department of the First Presbyterian Church, will be held tonight at 8 o'clock in the church schoolroom. The Speech from the Throne will be considered and a bill to amend the Highways Act introduced. A short devotional period will precede the parliament, when Miss Mona Hayes will read a paper on "Dispensation of Christianity." All young people in the city are invited to attend.

Beautiful!

In one of our Government Street windows you will see this magnificent instrument. Its lovely cabinet of dark figured walnut is massive—like the case of a piano. The

Gerhard Heintzman Phonograph

is made in Canada; made in Toronto, where for 50 years the famous Gerhard Heintzman piano has been produced. This handsome Louis XVI period design phonograph is very reasonably priced at $425

ENGLISH LORD GIVES FIFTY THOUSAND POUNDS

LONDON, Oct. 18.—Lord Robert Cecil, in opening today a national campaign in behalf of funds for the League of Nations' Union, announced that Lord Cowdray had promised to contribute £50,000.

He read a letter from the Marquis of Lansdowne advocating arbitration in international disputes instead of resorting to force.

Viscount Grey, former Secretary for Foreign Affairs, spoke in support of the League of Nations, and congratulated the British and French Premiers for having resorted to the league in the Silesian deadlock.

CANADIAN DELEGATE TO LEAGUE IS BACK

OTTAWA, Oct. 18.—Rt. Hon. C. J. Doherty, former Minister of Justice, and one of the representatives of the League of Nations at Geneva, is expected in the Capital on Monday. Mr. Doherty is expected to land at New York.

Y. W. C. A. MUSICALE FOR BUILDING FUND

The musicale and tea being held by the Y. W. C. A., Yates Street, tomorrow afternoon, is for the purpose of further increasing their funds for the new building. The arrangements for this event are in the capable hands of Mrs. R. Chave, and the members of the social committee.

Mrs. J. Kingham will preside over the tea tables; Mrs. W. E. Harper, the candy stall; Mrs. S. E. Lockwood, the home cooking table, and Mrs. E. H. Mitchell will have cut flowers and dainty ferns for sale.

Mrs. Harold Beale, who has recently returned from Hyderabad, India, where her husband was physical instructor, under the Y. M. C. A., for five years, will have charge of a room giving a glimpse of life in India, and will herself be in native costume.

A delightful programme of music is being planned by Mrs. S. M. Morton, those assisting being Mrs. Conyers, Mrs. Lloyd Mutrie, Miss Winnie Bell, Mrs. C. Lewtas, Miss Byrd and Mrs. A. B. Locke.

KUMTUKS MEMBERS GUESTS OF KIWANIS

Ladies Put on Programme at Luncheon Held by Men's Organization at Dominion Hotel Yesterday

The Kumtuks Club members were the guests of the Kiwanis Club at the latter's luncheon in the Dominion Hotel yesterday, and the visiting ladies put on a programme of short addresses and of music that won the appreciation of their hosts.

Miss Lottie Bowron, president of the Kumtuks Club, opened the programme with a few introductory remarks in which she stated that she was glad that her organization was taken on the same footing as those of the men. The Kumtuks Club was a made-in-Victoria affair.

"Victoria, Our Homeland," a parody on "Devon," written by Mrs. N. deB. Shaw, was sung by Miss Nellie Lugrin, the whole gathering joining in the chorus. Mrs. Knight accompanied.

Miss Jessie Brown explained the meaning of Kumtuks. It was a Chinook word, she said, meaning to understand, to know, to become acquainted. The purpose of the club was to promote social intercourse and to educate and develop the members to take action on social and economic questions, and to assist other organizations in their work. She explained what the club had already done.

Miss Kate McLaren gave the Kiwanians ten new commandments. The original commandments were to live by, she said, and the ones she offered were to work by. They were:

1. Think hard.
2. Express your opinions when given the opportunity.
3. Act cautiously—but act.
4. Put your soul into any undertaking.
5. Stand by your convictions.
6. Have the Kumtuks spirit of co-operation.
7. Cultivate personality.
8. Help and share with others.
9. Be optimistic.
10. Do your best.

There was no limit to what could be accomplished by co-operation, even to the exclusion of the Asiatics from British Columbia, declared Miss McLaren.

Miss Margaret Clay pointed out that the purpose of the Kumtuks Club, the Kiwanis Club and other similar organizations was to make the world a little easier place to live in. She thought that one activity in which the various organizations could get together was in the securing of a community centre, features of which would be an art collection and an auditorium where the best of music might be heard and where such dreadful subjects as Bolshevism might be discussed openly and by all who cared to do so.

A parody on "Peggy O'Neil" was sung by Miss Lugrin, the assemblage joining in the chorus, which read as follows:

If they're full of pep and go,
They're Ki-wan-i-ans.
If they fear not any foe,
They're Ki-wan-i-ans.
If they walk at a purposeful pace,
Always keeping ahead of the race,
Fond of society and notoriety,
They're Ki-wan-i-ans.

SOCIAL AND PERSONAL

Mrs. J. Newlands, of Vancouver, who has been visiting in the Capital, has returned to her home.

* * *

Mr. A. Campbell entertained at the Empress Hotel at dinner last evening. Covers were laid for six.

* * *

Mrs. F. A. Pauline entertained at tea yesterday afternoon following the opening of the Legislative Assembly.

* * *

Mayor Gale and Mrs. Gale, of Vancouver, and Miss Maud Gale, of Quebec, sister of His Worship, were invited guests at yesterday's opening ceremonies of the Legislature.

* * *

Friends of Mrs. L. B. Kent will be pleased to hear that she is progressing favorably after an operation for appendicitis, which she underwent on Monday at the St. Joseph's Hospital.

* * *

Following the opening of the Legislature yesterday Mrs. A. E. Hall, Jr., entertained at tea at the Empress Hotel. Her guests were Mr. J. B. Clearihue, M.P.P., Miss Clearihue, Miss Hawlings and Mrs. A. MacCrimmon.

* * *

Mr. Nat Head, assistant manager for the Hotel Del Monte, Cal., is in town and is registered at the Empress Hotel. He is in the city looking up old friends in the course of his usual Winter tour.

* * *

The many friends of Mr. Chas. A. A. Macqueen, who has been ill for some time, will regret to hear that he has suffered a serious relapse and has been removed to the Jubilee Hospital.

* * *

Mrs. John Coughlan, of Vancouver, was in town yesterday and was amongst those present at the Esquimalt drydock when the City of Victoria, one of the Coughlan Company's ships, was docked.

* * *

Mrs. John Oliver, wife of the Premier, was one of the tea hostesses at the Empress Hotel following the formal opening of the House. Among her guests were Mrs. A. F. Proctor, Mrs. John Keen (Kaslo), Mrs. D. B. Martyn, Mrs. J. O. Dunford and Miss Mildred Oliver.

* * *

Mrs. Alexander Raye, of Seattle, is a visitor in the city. She is the guest of Mrs. A. Lane, Fairfield Road. Last evening Mrs. Lane entertained at a dinner party in Mrs. Raye's honor. The table was centered with pink and white cosmos. Covers were laid for eight.

* * *

Mrs. F. G. Wyatt, of 2338 Foul Bay Road, entertained at dinner on Wednesday evening in honor of her mother, Mrs. Newberry, who celebrated her eighty-sixth birthday. The table decorations were charmingly arranged with chrysanthemums, and during the evening music and games were played.

* * *

Among the afternoon's hostesses yesterday was Mrs. J. W. deB. Farris, whose guests at the tea hour at the Empress were Mayor Gale, Mrs. Gale, and Miss Gale, of Vancouver; President Klinck, of the University of British Columbia; Mr. and Mrs. Robert Welch, of Bellingham; Mr. A. D. Paterson, of the Delta, and Mr. Heater.

* * *

Lieut.-Col. and Mrs. J. A. Hall, of the Old Esquimalt Road, are still enjoying the pleasures of country life at their new cottage at Shawnigan Lake, where they have spent the greater part of the Summer. Mrs. Hall's sister, Miss Gatenby, is now their guest, and will remain with them for a short time.

* * *

Among the tea hostesses at the Empress Hotel yesterday following the opening of the Legislature, was Mrs. Charles Ross, of Vancouver, who had among her guests Mr. and Mrs. P. Pillar, Miss Crofton, Mrs. Butterworth (Vancouver), Mrs. Lane, Mrs. MacRae, Mr. Goford, Miss Duker, and several members of the House.

* * *

Mrs. J. H. King entertained at tea at the Empress Hotel yesterday afternoon following the ceremony of the opening of the House. Her guests were Mr. and Mrs. R. P. Butchart, Mrs. J. A. McDonald, Mr. and Mrs. M. H. King (Vancouver), Mrs. Hill, Mrs. Holmes, Mr. and Mrs. Fred Baird, and Mrs. Bonnell.

* * *

Mrs. Cassely, of Vancouver, entertained yesterday at the Empress Hotel at luncheon, when covers were laid for six guests. Following the opening of the Legislature Mrs. Cassely was the guest of honor at a tea given by her sister, Mrs. Rogers, of Oak Bay Avenue. The tea table was prettily arranged with chrysanthemums.

* * *

Mr. Eugene R. Houston, special representative of The Pictorial Review Company, arrived in the city yesterday afternoon from Seattle. Mr. Houston is on one of his periodical inspection tours, and plans leaving this afternoon for San Francisco, where the Pacific Coast office of the company is located.

* * *

Following the opening session of the Legislature yesterday Mrs. John Hart, wife of the Finance Minister, entertained at tea in the Palm Room of the Empress Hotel. Her guests were Sir John and Lady Barrett, Miss Pat Barrett, Miss Barrett, Mrs. Wm. McK. Ivel, Mr. and Mrs. J. D. O'Connel, Mrs. A. E. Greenwood and Miss Marsden (Vancouver).

* * *

Mrs. J. D. MacLean, wife of the Provincial Secretary, entertained at the Canadian Club reception for Mrs. Margaret Jenkins, held yesterday following the opening ceremonies of the Legislature. Her guests included Mrs. Woodrow, of Vancouver; Mrs. McCutcheon, of Greenwood; Mrs. McMin, Mrs. Brennan, Mrs. Robertson, Mrs. A. E. MacLean, Miss Watson and Mrs. Ruttan.

* * *

The Ladies' Guild for Sailors will celebrate the memory of Trafalgar Day, October 21, with a bridge tea to be held at the Dallas Hotel. The proceeds are to be used to provide comforts for the Connaught Seamen's Institute and the Esquimalt Sailors' Home. Bridge will commence at 3 o'clock, and tea will be served at 5. A large number of tables have been reserved. Among those making reservations are Mrs. M. Jenkins, Mrs. Dr. J. H. King, Mrs. J. W. de B. Farris, Mrs. Jack Rithet, Mrs. Forbes Procter, Mrs. L. H. Hardie, Miss A. Pooley, Miss S. Spencer, Mrs. W. J. Spencer, Mrs. A. T. Furner, Miss Newcombe, Mrs. L. K. Poynts, Mrs. W. B. Monlieth, Mrs. R. L. Miller, Mrs. L. A. Hayward, Mrs. R. L. Phillips, Mrs. Mayhew, Mrs. E. O. Weston, Mrs. Haywood, Mrs. Wilders, Mrs. R. Powell, Mrs. McMicking, Miss Listell, Mrs. R. Jameson, Mrs. F. Criddle. Among those who will be present at the tea are Mrs. Ellison, Mrs. R. H. Green, Mrs. R. P. Green, Mrs. Warlock, Mrs. Bray, Mrs. McLennan, Mrs. Tooley, Miss H. Harris, Mrs. Forman, Mrs. H. Plaskett, Mrs. E. A. Neane, Mrs. Galliher, Mrs. Hodges, Mrs. Clarke, Mrs. J. A. Raymur, Mrs. Curtis Sampson, Mrs. F. C. Gardiner, Mrs. H. Herchmer, Mrs. Gallon, Mrs. H. A. Morley, Mrs. Moir, Mrs. W. H. Logan, Mrs. David Doig, Mrs. Lorne Drum and Mrs. C. W. Bradshaw. Players are reminded to bring their own cards and score cards. Any who wish to reserve tables for bridge or 500 are requested to phone Mrs. Willis Dean, Vining Street.

* * *

Most of the afternoon visitors to the Island Arts and Crafts Club annual exhibition in the Belmont Building will welcome the institution of a tearoom in connection with the undertaking. This is on the third floor, a suite of four rooms affording comfortable accommodation for a large number of patrons. Mrs. Hodgins is in general charge, and has as her assistants the Misses B. Wolfenden, Peggy Hodgins, Hilda Langton and Innes Carey. A very attractive scheme of decorations has been carried out, copper vases on each of the tea tables holding masses of Michaelmas daisies and dahlias, while the walls are festooned with clematis and berried holly. Among those who called in for tea yesterday afternoon were Mrs. Hasell, Miss Crease, Dean Quainton, Mr. and Mrs. T. S. Gore, Mrs. Foreman, Miss Kitto, Mrs. Clark, Mrs. Wolfenden, Mr. and Mrs. Henderson, Mrs. Irving, Miss Mason, Mrs. Donogh, Mr. Butler, Mr. and Mrs. Dean Drummond, Mrs. Macdonald and children, Mrs. Dennis Harris, Miss Carr, Mr. Lindley Crease, Dr. and Mrs. Rutherford, the Misses Lettice, Mr. Hugh Davis, Miss Chambers and Miss Mills. The tearooms will continue open each afternoon during the time that the exhibition is in progress.

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a Glass of Salts If Your Back Hurts or Bladder Bothers

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink. (Advt.)

HOSPITAL BALL AT EMPRESS TONIGHT

Benefit Function in Aid of the Jubilee Hospital Undoubtedly Will Attract Large Throng —Few Tickets Remain

The customary "eleventh hour" rush for tickets commenced yesterday in connection with the Hospital Benefit Ball which is being held tonight at the Empress Hotel, and within a few hours some of the ticket headquarters were completely "sold out," and had to call for more to meet the requirements of would-be patrons of this evening's big social event. Mrs. Umbach, convener of the ticket committee, will be at the Music Department of Spencer's Store from ten to twelve o'clock this morning, ready to receive all unsold tickets still in the hands of those to whom they were issued. It is requested that these be returned by midday today, as the catering arrangements cannot be handled easily without some approximate idea of the number of patrons to be expected at the ball.

The Empress management, which is helping generously in carrying through the arrangements for the ball in order that it may be a big success from every standpoint, has expressed a wish that all the food supplies which are being contributed for the supper should be sent so as to reach the hotel by twelve noon today, if possible. This will make matters much easier for the hotel and for those engaged in the preparation of the sandwiches, salads, etc.

All indications point to a record success with this Hospital Benefit Ball. Numbers of the women's organizations of the city have shown their sympathy in practical form, and among the latest to make monetary contributions, which will go to defraying expenses and thus leave the larger margin clear for the hospital benefit purposes, are the Royal Purple Lodge and the Victoria Graduate Nurses' Association, each of which societies has given $10. Mrs. Rhodes, chairman of the hospital ball committee, has also received a cheque for $50 from an anonymous friend.

Tickets are on sale at the Empress, Wilkerson's, Hibben's, Mitchell & Duncan's and Fletcher's.

LETTERS TO THE EDITOR

No letter to the editor will be inserted except over the proper signature and address of the writer. This rule admits of no exceptions.

The Jewish People

Sir,—Strange as it may seem, whenever anyone starts to prove anything against the Jewish people, he proves the opposite. This, I take it, must be an act of Providence, as the triumph of the truth.

Paul Scott Mawrer (quoted in The Sunday Colonist) wan's to prove that the Jewish people hold human law negligible by a beautiful Rabbinal legend that proves the contrary, i.e., that human law is supreme, as is also a Rabbinal maxim that the law of the land is the law.

Some fool claimed he discovered a document, the so-called "Protocols of Zion," wherein the Jewish people were supposed to conspire to control the world, but as the truth must come out, the reputable London Times discovered the original book, which was written by a Frenchman years ago against the rule of Napoleon, and which was falsified and plagiarised to apply to the Jewish people.

Mr. Scott mentions Marx as a revolutionist. Luckily Cromwell, George Washington, Engles, Dana, Brisbane and hundreds of others at different times, were not.

As to assimilation, which is the real question. Politically the Jew assimilates very readily as he becomes a citizen of the country where he lives readily and gladly, and gives "his" to the uttermost—as the late war proved. Socially a bit slower, as that is a matter of environment. Religiously, let us hope, never, for what is wrong with the Jewish religion?

Anti-Semitism is an outgrowth of bigotry, ignorance, jealousy, falsehood, etc. That, diluted with misunderstanding, makes a good job for the devil.

A. P. SINGER.

615 Yates Street, Victoria, B.C., Oct. 17, 1921.

MOTHER!

Clean Child's Bowels With "California Fig Syrup"

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, a teaspoonful will never fail to open the bowels. In a few hours you can see for yourself how thoroughly it works all the constipation poison, sour bile and waste from the tender little bowels and gives you a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

DESTITUTE FAMILIES WILL BE RELIEVED

Esquimalt Friendly Help Society Makes Arrangements for Winter Activities — Cases Already Dealt With

The postponed meeting of the Esquimalt Friendly Help Society was held at the Sailors' Club. The president, Mrs. Croft, presided, and a fair number of members were present. After routine business was dispatched, ways and means to relieve some very distressing cases were earnestly considered. Several heads of families, through physical infirmity of one sort or another, are quite unable to provide for their wives and little ones. Some others are too old and decrepit to care for themselves. Besides all this, lack of employment is a burning question that the society meets at every turn. Recently one family of father, mother and two small boys, who could not bring themselves to ask for charity, were found absolutely without food or clothing. For the purpose of securing means to assist in the relieving of such the ladies decided at the meeting to hold a sale of home cooking in the Sailors' Club, on Saturday afternoon, the 22nd inst., from 2:30 to 6, and an appeal is made to all members and friends in the district to assist with donations. Fruit, vegetables, etc., will also be accepted.

The committee in charge is Miss Gatenby, convener; Mrs. Gibson, Mrs. Pickard and Mrs. Scott.

The following donations were received: Miss Murray, Sooke, cash $2; Municipality, cash $150; Well Wisher, cash $30; Albion Stove Works, stove pipe; Mrs. McTavish, Head Street, clothing; Mrs. Ranns, clothing; Mrs. Arthur Young, meat. Donations were also received from several others who do not wish their names to appear.

INCREASED DEPOSITS IN BRITISH BANK

The British Postoffice Savings Bank, which has just completed its sixtieth year of business, now has 15,000 branches, and in 1920 had on balance due its depositors £266,000,000. Statistics of the bank's progress received by the Bankers' Trust Company, of New York, from its English information service, disclose that the number of depositors has increased from 425 on the opening day in 1861 to 13,500,000 at present, with the addition of over 5,000,000 investors in Government securities obtained through the medium of the bank.

An interesting feature of the bank's operation was an increase in balances on deposit during the war, a growth which has been continued. In 1915 the amount standing to the credit of depositors was £184,327,584. In 1917 the amount was £203,342,058. The volume of the bank's transactions is illustrated by 133,412 deposits made in one day, February 27, 1915. The average deposit in that year was £2 8s. 4d.

The total cost of operation in 1917 was £721,499, equivalent to 1-2 per cent of the amount of deposits during the year.

MR. PRITCHARD SPOKE AT COLUMBIA THEATRE

Socialist Candidate in Nanaimo Addressed Audience on Sunday Afternoon — Quotes Professor Huxley

Mr. W. A. Pritchard, Socialist candidate for the Nanaimo riding in the coming federal election, spoke to a full house at the Columbia Theatre Sunday evening. Mr. Fred Harman occupied the chair, and made it clear that in the coming campaign the policy of their party would be closely adhered to; they would deviate for no one.

Mr. Pritchard immediately delved into an examination of human progress. He drew attention to the fact that knowledge of the machine of production had far outstripped the knowledge possessed by humanity for its own comfort and security. The worker, he said, understands the technical side of production, but knows little or nothing of political economy.

The speaker next quoted from a news item in that day's issue of The Colonist, in which Sir Auckland Geddes urged the proletariat to become educated in the art of government to enable them to rule whenever they should be called upon to do so. A ripple of laughter ran through the theatre when Mr. Pritchard said that he and Sir Auckland were in agreement, and added: "For the same advice I went to jail." Mr. Pritchard then proceeded to defend the policy of the Socialist Party of Canada on its educational activities.

The speaker held up to ridicule the two old parties, stating that it was his opinion that they were both out to serve American interests, for, he said: "A low tariff would mean low prices and low wages, while a high tariff means high prices and in like ratio so-called high wages, but the position of the worker economically is still unimproved."

The speaker next directed his attention to maturing Victory bonds, pointing out that interest and principal were both payable on a vastly improved purchasing power of the dollar—an improvement which amounted to 50 per cent to 75 per cent. He claimed that the finances of the country could not be stretched sufficiently and that new liabilities would be incurred to pay the old ones. Proceeding to a survey of international indebtedness, amid laughter he likened the United States to a corner grocer, and Britain to an out-of-work debtor, who, owing, say, $30, requested the grocer to cancel the account to enable the out-of-work debtor to re-establish his credit.

Appalling Inequality

Speaking of the unstable condition of the worker, Mr. Pritchard read from an article by Stephen Leacock, Professor of Political Economy, McGill University: "We live in a world of appalling inequality, which as yet neither philanthropy nor legislation has been able to remove. The lot of the workingman who begins day labor at the age of sixteen and ends it at the age of seventy, who starts work every morning while the rest of us are still in bed, who has no sleep after his lunch and no vacation trip to Florida, is inconceivably hard. It is a sober fact that if those of us who are doctors, lawyers, professors and merchants were suddenly transferred by some evil magician to the rank of a working men, we should feel much as if we had been sent to the penitentiary."

The speaker, enlarging upon the words of the professor, said that subject to these conditions the workers might not be conscious of their position in the same light as voiced by the learned professor, but nevertheless these views were fully borne out by the investigations of the Commission on Industrial Relations, Chairman Frank P. Walsh, U.S.A. In this report, said Mr. Pritchard, the commission made known the fact that the "rich" 2 per cent of the people own 60 per cent of the wealth. The "middle class" 33 per cent of the people own 35 per cent of the wealth. The "poor" 65 per cent of the people own 5 per cent of the wealth.

When the working class, continued the speaker, realise their historic mission and inaugurate a system of production for use instead of for profit, such condition as outlined will be absolutely changed. He pointed out, too, that such useless factors as wide advertising and overlapping salesmanship costs would also be eliminated, thus allowing the producers to share their wealth to the fullest possible extent.

Mr. Pritchard claimed that the workers need not despair. He believed that they had the muscle and the brains needed, and that if they would shake themselves they could develop the necessary power of organization to bring about the desired end. Had he no hope he would be forced to agree with Huxley when he said that were there no hope of change he would rather that some friendly comet struck our earth to bring an end to all this human suffering.

The speaker concluded with a quotation from Anatole France, after which several questions were answered.

YOUNG PEOPLE HOLD SUCCESSFUL MEETING

Lady Members of Metropolitan Y. P. Forum Conducted Programme in Schoolroom Monday Night

Members of the Metropolitan Young People's Forum turned out in large numbers on Monday night at the regular weekly meeting of the organization, which was held in the schoolroom of the Metropolitan Church. The evening's programme was in charge of the "lady members," and it was thoroughly enjoyed.

Miss M. Lewis presided. The first part of the evening was occupied with a short devotional service. A splendid talk on "Florence Nightingale" was given by Miss Noble, who was followed by Miss E. Bradshawe, who gave a clear account of the life and works of Fanny Crosby. One of Crosby's hymns was sung by the Misses Piercy and Hillary.

Miss Gerbutt reviewed the splendid characteristics of Mrs. Neille McClung, one of whose stories, "The Black Creek Stopping Place," was told by Miss Mary McFadden. Miss Richards contributed a solo, which was well received. The meeting was brought to a close by the singing of the National Anthem.

ROYAL ARCANUM OFFICIAL HERE

Past Supreme Regent Speaks at Banquet Given by Majestic Lodge — Progress of Order Detailed

At a supper in the Knights of Pythias Hall, North Park Street, on Monday evening, members of the Majestic Council, Royal Arcanum, heard an address by Mr. C. Arch. Williams, past supreme regent, Chicago. Mr. J. L. Beckwith, past grand regent, jurisdiction of Washington and British Columbia, presided.

The object of Mr. Williams' visit to Victoria was to endeavor to increase the membership of the Royal Arcanum in this city. He told of a big gain in membership last year. The rates were adjusted downward in 1916, he pointed out. The Arcanum had $10,000,000 invested in securities which paid an annual interest of $435,000. The insurance of the Order was approved by every State. The membership today amounted to 135,000, the Order being forty-four years of age. Since its inception it had paid out over $214,000,000 in claims. There had been no increase in rates during the Great War, and all claims were paid to beneficiaries of soldiers killed overseas. Mr. Williams visited Los Angeles, San Francisco, Portland and Seattle before he came to Victoria, and he stated that he found everywhere the members imbued with a loyalty to the Royal Arcanum.

CITY WILL AGAIN SEEK SETTLEMENT

May Be Forced to Fight Elk Lake Taxation Issue Before Legislature Committee — Saanich Outlines Position

The City Council will make another attempt to come to terms with the municipality of Saanich regarding Elk Lake taxation. If necessary, the Council will make a strenuous fight against the Saanich application to the Legislature for powers to tax the watershed.

The Council has received a letter from Municipal Clerk Hector S. Cowper, of Saanich, outlining the attitude of the Saanich Council, which he held had been misunderstood.

"The policy of the Council," wrote Mr. Cowper, "has always been in favor of the Elk Lake watershed being used for park purposes, and as a matter of fact these properties were under the joint management of the two municipalities by the Beaches and Parks Committee for the year 1918. The powers obtained from the Legislature by the city early in 1919, permitting the use of the property for park purposes, provided such use did not render it unavailable for waterworks purposes, nor impair your privilege to exemption of taxation, were obtained with the full knowledge and approval of the Saanich Council. The present Saanich Council have unanimously decided that if the property is definitely dedicated for park purposes they will for all time forego any taxes upon the property."

The matter was referred to the Victoria members of the Victoria-Saanich Beaches and Parks Committee.

The Victoria members of the Beaches and Parks Committee will hold a special session Friday afternoon to draft a reply to the Saanich Council. Opposition to the Saanich proposal will be based on the contention that the city may need Elk Lake later, as a source of water.

TREFOUSSE GLOVES

Gordon Dryspdale LIMITED

BURBERRY COATS

Store Opens at 9 a.m. and Closes at 6 p.m. Wednesday at 1 p.m.

Frolaset Front-Laced Corsets

Impart a Very Comfortable Feeling

Mental comfort in the definite knowledge that your figure lines are what they should be—physical comfort through perfect fitting and restful support. You will find that there is a Frolaset Front-Laced Corset specially designed for every type of figure.

STEAMER HEARS BIG WIRELESS STATIONS

LONDON, Oct. 18.—A message from Cape Town, South Africa, states that press messages from the high power French wireless station at Bordeaux, were received direct by the Peninsular and Oriental steamer Barodine throughout a voyage from England to Cape Town. The vessel was fitted with the latest Marconi three electrode valve receiving apparatus. The high power stations in America, including Annapolis and San Francisco, were also distinctly heard throughout the voyage.

TWO SENIOR RUGBY MATCHES THIS WEEK

Game Will Get Away to Auspicious Start With Wanderers and Bays, and Old Boys and Naval Cadets

Following the securing of a fourth entry in the Senior Rugby League, play in which will start on Saturday next, a revision of the schedule has been made by the local Rugby Union and arrangements made for the playing of the two opening games. A departure is being made this year from last year's plan of playing two games side by side on the Oak Bay ground, and Saturday's opening games will be played as far apart as Oak Bay and Esquimalt, the Wanderers meeting their old rivals, the J.B.A.A. fifteen, at Oak Bay, and the Old Boys and Royal Naval College playing on the Canteen ground.

After it seemed very unlikely that more than three full teams could be fielded in the senior league this year, and special efforts had been made to scratch up a fourth team to round out the league, the prospect for a really interesting series suddenly took a much rosier aspect when it was learned that the Royal Naval College had determined to enter a team to play with the seniors. The best traditions of the oval ball game are being sustained and fostered at the Naval College, and the cadets have shown in past years that they have been well schooled in the game, know it thoroughly and are well able to take care of themselves in fast company. This week, drawn against the Old Boys, they should provide an excellent game, and the two matches scheduled are almost certain to be each of them well fought out, with no team registering an easy victory.

The fight for the Barnard Cup this year is likely to be hard and interesting. All the teams have been practicing hard both on the field and in the gymnasium for some weeks now, and will be in good shape for the opening encounters.

A Healthy Sign

It is a good sign for the best interests of the game that, although several of the teams will be without the services of veterans of the game who have been their mainstay for many past seasons, quite a lot of new material is available, and the Bays in particular have been making very strenuous and praiseworthy efforts to gain recruits for rugby and train them in the way they should go on the football field. Victoria did not have the best of luck in their attempts to win the Provincial honors last year and to retain possession of the McKechnie Cup, but they are going to make a special effort this year to bring the rugby laurels of the Province back to Victoria.

The contest will be a three-cornered one this year with the B.C. University entering a separate team, and the contest for supremacy is sure to be a hard one.

Another excellent sign for the good health of the rugby game here is the interest being taken in the game by intermediate and junior teams. The intermediate league will start shortly with three teams entered, and eight school teams are playing the game this year.

In order to get the season started with the greatest possible amount of eclat, the local Rugby Union will ask His Honor the Lieutenant-Governor to kick off at Oak Bay on Saturday.

MISS LEITCH WINS FIRST ROUND MATCH

NEW YORK, Oct. 18.—Miss C. Leitch, holder of the English and French and Canadian women's golf championship, won her first round match of the Belleclaire invitation tournament today, defeating Miss Louise Elkins, Pittsburgh, eight and seven.

Original!

TO have *originated* some great and permanent thing is to have done something truly worth while in which a deep and abiding pride may safely be displayed.

Consequently, it is with a feeling of genuine satisfaction that we remind you that the world's standard "quality way" of brush making — the process of gripping every bristle *everlastingly* in hard vulcanized rubber—was *originated and perfected* by the proprietors of Rubberset Company.

The trade name RUBBERSET identifies all brushes, *and the only brushes*, made under these methods as perfected in the factories of the *originators*.

Insist upon seeing it in the form herewith illustrated on every brush you buy.

SOCCER MEETING ARRANGES GAMES

Nine Games on Saturday's Card Including Newly-Formed Junior League—Referees Pass Examination

At the weekly meeting of the Victoria and District Football Association, held last night, arrangements were made for Saturday's league soccer as follows:

First Division

Garrison vs. Thistles, at Work Point. Referee, W. G. Brown.

Metropolis vs. Yarrows, at Royal Athletic Park. Referee, P. Payne.

Wests vs. Sons of England, at Beacon Hill lower ground. Referee, W. G. Faulkner.

Second Division

Wilsons vs. Sons of England, at Beacon Hill upper ground. Referee, G. A. Wilcox.

Metropolis vs. Sons of Canada, at Central Park. Referee, A. Armstrong.

The examining board of the local branch of the British Columbia Football Association sat on Monday evening to examine candidates to qualify as referees of the local league game. A good number of candidates presented themselves for examination and were successful in passing the tests, among them being those allotted to take charge of Saturday's games as above. Any others wishing to take the examination may do so on application to Secretary W. J. Cull, 260 Dunedin Street, telephone 2767L.

Junior League

One more entry was received for the Junior League, from the Gorge Football Club, this bringing the entries up to four, namely the Victoria Wests, James Bays, Saanich Thistles and Gorge clubs. It was decided to start play in this league next Saturday, and arrangements were made for the playing of the two opening games as follows:

Wests vs. James Bays, at Heywood Avenue. Referee, F. Hopkins.

Saanich Thistles vs. Gorge, at Central Park, lower ground. Referee J. McEwan.

The referees appointed for today's games are J. Maxwell, at Central Park, and R. A. Wilcox at Beacon Hill.

RUGBY UNION DRAWS INTERCITY SCHEDULE

Six McKechnie Cup Games This Year—Bell-Irving Re-elected President and Heb Gillespie, Secretary

VANCOUVER, Oct. 18. — "Dick" Bell-Irving was unanimously re-elected president of the B.C. Rugby Union at a meeting held here today.

H. Gillespie, of Victoria, was re-elected secretary.

The University was given a membership in the B.C. Rugby Union and will be allowed to play for the McKechnie Cup, which is for the Provincial championship.

The secretary was instructed to reply to a letter received from the English Rugby Union asking if the game here was going to be played under their rules. The reply was that it would.

The McKechnie Cup schedule was drawn up as follows:

Vancouver Rep. vs. U.B.C., at Vancouver, Nov. 7.

Victoria Rep. vs. Vancouver Rep., at Vancouver, Nov. 19.

Victoria Rep. vs. Vancouver Rep., at Victoria, Dec. 10.

U.B.C. vs. Victoria Rep., at Victoria, Jan. 7.

Vancouver Rep. vs. U.B.C., at Vancouver, Jan. 21.

Victoria Rep. vs. U.B.C., at Vancouver, Feb. 4.

BARRYMORE MAKES VOYAGE TO ORIENT

The steamer Barrymore, of the Furness Prince Line, recently assigned to the North Pacific-European service, will make one voyage to the Orient before loading for British and Continental ports. The vessel is now at Seattle, taking on cargo for the Orient, and will probably sail on Saturday. Since the withdrawal of the United States Shipping Board freighters, operated by the Waterhouse Company and Struthers & Dixon from Seattle, to Japan and China, cargo space out of the Puget Sound port for the Orient has been much in demand.

The Barrymore is a British ship, assigned to the regular service being instituted between Pacific Coast ports and Europe, and is the third ship of the Furness Withy fleet to come to this Coast. She has been diverted to the Orient because practically all the freight offerings for Europe can be handled by the steamer Eastern Prince, of the same fleet.

INTERNATIONAL YACHTING

LONDON, Oct. 18.—Leading British owners in the International metre class, at a meeting today decided to ask all the clubs interested to agree that next year's race be held under rules of the International Yacht Racing Union. If this is agreeable a formal challenge will be sent November 15 for the race in America next year.

SONS OF ENGLAND MEETING TONIGHT

A meeting of the players of the Sons of England Football Club and all others interested in the club will be held this evening at the Veterans of France clubrooms, on Douglas Street, commencing at 8 o'clock. A good attendance is requested.

YANKEE MAGNATES REGRET VIOLATION OF BASEBALL RULES

NEW YORK, Oct. 18.—Regret that some Yankee players had violated the rule prohibiting world series contestants from appearing in post-season exhibition games was expressed in a statement issued by Colonel Jacob Ruppert and Colonel T. L. Huston, of the New York Americans.

Asserting that the rule had been violated so defiantly that Baseball Commissioner Landis had no alternative but to meet the situation firmly, the statement continues:

"This rule appears to be unjust in many respects, but as long as it exists it should be obeyed. The players made the mistake in not petitioning for a modification of the rule."

POPULAR ATHLETE LEAVES FOR ENGLAND

Jack Matson, One of Victoria's Best Athletes, Will Be Badly Missed in Local Sporting Circles

The many friends of Jack Matson, though wishing him all kinds of luck, are sorry to say good-bye to him on his departure for the Old Country, where he will take a University course at Cambridge, in preparation for entering the legal profession. Since his return from England several years ago, where he started to make a name for himself in the sporting world by getting his colors for the Harrow cricket eleven, Jack has been starring here in a number of branches of sport. He has represented the city with distinction several times on the cricket field, as well as being one of the mainstays of the Victoria Cricket Club, both in batting and bowling. He has also won his place on inter-city rugby teams. In the intervals of these more serious athletic activities "Jack" has found time to distinguish himself on the tennis courts and on the golf links. In short, he has proved himself one of Victoria's best allround athletes, and his absence from the city for some years will be a great loss to its athletic resources.

Jack Matson has made a host of friends and every one of them will wish him the best of luck and will look forward to his return to his home.

GRAND CIRCUIT RACING

ATLANTA, Oct. 18.—Jeannette Rankin, chestnut mare, driven by McDonald, swept all competition aside in the feature event of today's Grand Circuit races, taking the 2:14 trot in straight heats, and stepping off the final mile in 2:06. This event carried a purse of $2,500.

The races were very hotly fought, especially the 2:18 trot, in which there were nine starters, and which it took four heats to decide. Good time was made in the first three heats, but in the extra mile, Harvester Horn won as he pleased from Lady Byng, driven by Thomas, in the slow time of 2:14 1-2.

The 2:14 pace resolved itself into a duel between D. W. Maloney and Pat Carmody. The former won.

Dixey May, which won the first two heats yesterday of the 2:20 pace for southern horses, took the final heat today, when that event was finished. Prince Regal won as he pleased in the 2:10 class pace for southern horses.

MAINLAND HUNTERS FIND SPORT GOOD

Pheasants Are Abundant and Duck Shooting Is Reported Particularly Excellent at Sumas Prairie

CHILLIWACK, Oct. 18—The opening days of the bird season found the nimrods of the district keen notwithstanding unfavorable weather conditions. Pheasants are plentiful in all parts of the valley and proved easy hunting for those who braved the wet bush and grass.

Sumas Prairie is literally thick with ducks, and those who sought the water fowl found sport in abundance awaiting them.

Big game hunters have been meeting with considerable success, although the hunting is far afield. The deer, however, are plentiful for those who are prepared to go back into the hills for their sport, as attested by the many fine trophies brought back to town.

Fisher folk, too, are enjoying good sport. The dollies and sea-trout are running and anglers are filling their creels with the speckled spoil. The Vedder is especially good at the present.

BIG RUN BY HORMANS

NEW YORK, Oct. 18.—Edward Hormans, billiard champion of Europe, made a run of 400 from spot today in the third block of a 2,400-point game of 18.2 balk line, with Koji Tamada, Japanese champion.

GOLF CHAMPIONSHIP TO BE PLAYED SOON

Oak Bay Links Will Be Scene of Contest for City Title—Qualifying Round Will Be Held on October 30

The Victoria Golf Championship will be held at Oak Bay Links on October 30 and November 5, 6 and 7.

The qualifying round, 36 holes, will be played on October 30, thirty-two to qualify, the first and second rounds of the championship flight to be played on November 5, the third and semi-finals on November, 6, and the final, 36 holes, on November 7.

The defeated sixteen of the championship flight will be the first flight, and the first round will be played on November 5, the second and semi-finals on November 6, and the final on November 7.

A prize will be given to the first in the qualifying round, also for the championship and runner-up, and a prize will be given to the winner of the first flight.

Entries for the championship must be made to the secretary of the Victoria Golf Club, Oak Bay, by Friday, October 28. Entrance fee, $2. The qualifying round and the final in the championship to be 36 holes, all others 18 holes.

On November 7, the day the finals are played, a sweepstake of $1 each for Victoria Club members and for those entering for the championship will be played, 18 holes, stroke competition, under handicap, the stakes to be divided two-thirds to the winner and one-third to the second. Players may chose their own opponents and play either morning or afternoon. Post entries must be made and a score card obtained from the secretary.

Competitors are extended the privileges of the Oak Bay course on Friday, October, 28, and Friday, November 4, for practice.

The ladies are making arrangements for the ladies' championship and details will be given out later.

Sailor Friedman Wins

PHILADELPHIA, Oct. 17.—Sailor Friedman, Chicago, outpointed Mickey Donley, Newark, N.J., in a slow eight-round bout tonight. Friedman weighed 138 and Donley 139 pounds.

Yarrows Workout

Yarrows Football Club will hold a meeting and a short workout at the Veterans of France clubrooms at 7:30 tonight.

Cambridgeshire Betting

LONDON, Oct. 18.—In the Cambridgeshire stakes, to be run on October 26, the latest betting is 20 to 1 against Placemides.

Ends Stubborn Coughs in a Hurry

For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost-like magic. It takes but a moment to prepare and really there is nothing better for coughs.

Into a 16-oz. bottle, put 2½ ounces of Pinex; then add plain granulated sugar syrup to make 16 ounces. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, this mixture saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, hoarseness, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, the most reliable remedy for throat and chest ailments.

To avoid disappointment ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Toronto, Ont.

Wins With Headlock

COLUMBUS, Ohio, Oct. 17.—Ed (Strangler) Lewis, former heavyweight wrestling champion, defeated George Kotsonaros, of Columbus, here tonight. Lewis won in one hour and thirty-nine minutes, using a headlock.

I do the very best I know how—the very best I can; and I mean to keep doing so until the end. If the end brings me out all right, what is said against me won't amount to anything. If the end brings me out wrong, ten angels swearing I was right would make no difference.—Abraham Lincoln.

MACDONALD'S PRINCE of WALES CHEWING TOBACCO

"The Tobacco with a heart"

Canada's standard since 1858

The men I have seen succeed best in life have been cheerful and hopeful men, who went about their business with a smile on their faces and took the chances and changes of their normal life like men, facing rough and smooth alike, as it came, and so found the truth of the old proverb that "Good times and bad times and all times pass over."—Charles Kingsley.

Kirkhams Play Weilers At Beacon Hill Today

SPORTING NEWS

Ruth Still Ignoring Judge Landis' Orders

LEADERS WILL MEET CELLAR TEAM TODAY

Weilers and Kirkhams to Clash in Wednesday Soccer—Spencers Will Try to Overcome Garrison

Kirkhams soccer eleven will furnish the opposition today to the undefeated Weiler aggregation in the Wednesday League games scheduled. Weilers have not yet tasted defeat in this league and they have a strong, well-balanced team which looks as though it might make fairly certain of the championship of this league. But the unexpected sometimes happens in football as in all other games, and Kirkhams are in high hopes that they will be the means of furnishing a surprise for the doughty Weiler team this afternoon. The game is scheduled to be played at the lower Beacon Hill ground, starting at 3 p.m.

The other game on the day's schedule is likely to be a very even and closely contested affair, Spencers meeting the Garrison at Central Park. Weilers and Kirkhams are at opposite ends in the league standing, but there is not so much difference between Spencers and the Garrison. Spencers have yet to win a game, while the soldiers have been successful in one of their encounters. Spencers have a draw with the Retailers to their credit and are therefore just one point behind the Garrison in the league standing. Today they are hoping to reverse the position. In the Garrison, however, they will be up against a hard-fighting team, and the contest is likely to be lively and well worth watching all the way. Line-ups announced yesterday are as follows:

Weilers—Jelliman; Newman and A. Hilton; B. Hall, J. Hall and Mason; Livingstone, Stewart, Hay, Knapman and C. Hilton.

Spencers—Shrimpton; Manning and Lynn; Waude, Robins and Jaynes; Bywaters, Caskie, Alcock, Ashby and Robinson; reserves, Neary and Wilson.

Kirkham's—Jasper; Anderson and Carter; Titterson, Johnston and Kirsey; Gibney, Lagon, Paidley, Dupiain and Coldwell; reserve, Stevenson.

WHITE SOX PLAYER SUES FOR SALARY

CHICAGO, Oct. 18.—Geo. D. Weaver, former White Sox player, today filed a writ of attachment in the municipal court to collect $20,000 salary alleged due him on his contract with the club.

Weaver contends President Charles Comiskey dropped him without warrant and that the trial at which he was acquitted showed there was no evidence to connect him with the alleged "throwing" of games.

RUTH PERSISTS IN IGNORING THE RULES

Continues His Barnstorming Career While Landis Cogitates on Penalty He Will Hand Out

JAMESTOWN, N.Y., Oct. 18.—Babe Ruth played first base and had two doubles in six trips to the plate in an exhibition game with a semi-professional team here this afternoon. Bob Meusel pitched, and Piercy played centre field for Ruth's team, which won the game by a score of 14 to 10.

The star slugger reiterated his position in regard to the rule prohibiting world's series contestants from participating in post-season games.

"I don't care if my case comes up tomorrow," he told sport writers. "I am not worrying."

Will Be Punished

CHICAGO, Oct. 18.—Without specifying what action he will take in the case, Judge K. M. Landis, high commissioner of baseball, strongly intimated upon his return here that Babe Ruth, the big slugger of the New York Yanks, will be punished for his participation in "barnstorming" games at Buffalo and elsewhere in violation of the baseball code.

"No lawabiding player," said the judge, "need fear that the laws of baseball will not be enforced.

"I have in my possession a considerable number of documents bearing on this matter," Judge Landis added, referring to the Ruth case. "I will give them my earnest attention at the earliest possible moment and will determine then what penalty should be inflicted for this violation of the rules of baseball."

Judge Is Surprised

Judge Landis expressed surprise that a player of Ruth's prominence should openly defy the club owners and officials of the game.

"In the meanwhile," said the judge, "lawabiding baseball players need have no fear that the law will not be enforced. The law of gravitation still is in force and what goes up is bound to come down."

The judge rode in the engine cab of the Twentieth Century Limited from New York to Albany, getting first-hand impressions of an engineer's life. He refused to comment on the request of two Northwestern roads that he mediate between them and their employees in event a strike is called.

Ruth, it is understood, contends he agreed to play in Buffalo before Judge Landis promulgated his order, and that he could not violate his contract with Buffalo promoters.

Committee Made Rule

It was pointed out here today that the rule which prohibits barnstorming by members of pennant winning clubs was not made by Judge Landis. It was adopted at a meeting of the advisory committee before the last championship season started. The rule follows:

"Section 8 (b)—Both teams that contest in the World Series are required to disband immediately after its close and the members thereof are forbidden to participate in exhibition games during the year in which the world's championship was decided."

It was also pointed out that the old National Commission had a similar regulation but it was never enforced.

An offer of $25,000 for six months' work will be made to Ruth by William Niesen, prominent Chicago semi-pro. club owner, in the event Ruth is barred from organized baseball, Niesen announced today.

"If Babe sets 'in bad' on this issue he can hang up his sweater in our ball park," Niesen said.

Couldn't Hold It

The station master, hearing a crash on the platform, ran out of his room just in time to see the express disappearing around the curve and a dishevelled young man sprawled amid several overturned milk cans and the contents of his travelling bag.

"Was he trying to catch the train?" asked the station master of a small boy who stood by admiring the scene.

"He did catch it," said the boy, happily, "but it got away again."—Chicago Herald and Examiner.

MUCH WORK DONE BY LOCAL CLUB

Victoria Automobile Club Holds General Meeting and Discusses Motor Camp Site—Island Conference Planned

A great amount of important business was dispatched at a largely attended meeting of the Victoria Automobile Club in the Pemberton Building last night at which the president, Mr. Norman A. Yarrow, presided. Membership is on the increase and at the next meeting of the directors, which will be held next week, there will be a large number of new members to be admitted.

One of the important decisions of the meeting was that a conference should be held in Victoria on November 2 at which all motorists of Vancouver Island, members of any club, will be invited to attend.

The Nanaimo Automobile Club has taken a great interest in this convention and a large attendance from the coal city is assured. Mr. O. D. Christie was appointed chairman of the committee which will have this matter in hand, and as Mr. Christie is one of the best known and most popular of the motorists of the Island, it goes without saying that the convention will be representative, and that it will be a big success.

A committee was appointed to wait on the Government with respect to publicity regarding the change in the rule of the road, in order that "Safety First" rules may be observed.

Another committee was named to go into the matter of establishing a motor camp site in Victoria. There was a great deal of discussion on this point and it is hoped that for next season's travel the local club will have effected plans for a camp that will be second to none on the Coast.

Mr. J. G. Thomson, of the Victoria and Island Development Association, reported that it was understood that a ferry service between Port Angeles and Victoria would be inaugurated next season that would look after sixty-five or seventy cars and therefore result in Victoria becoming the gateway to Island touring grounds.

There was further discussion relating to Island roads which require improvements, and details of safety schemes were also dealt with.

Reeve Watson, of Saanich, reported on road conditions and improvements in his municipality, especially the improvements to the road leading to Butchart's Garden, one of the biggest attractions in Victoria's sight-seeing tours.

THEY WERE FLOATERS

A correspondent of The London Field has the following remarkable story of a man who did not know what a golf ball was:

Before the war I was in the habit of spending a few days on the coast of Jutland bird shooting. The last time I was at a place called Nymindegab, the nearest railway station being at Norre Nebel, which is about four or five miles distant. On our way home one evening the boatman asked me to go into his little house as he wanted to show me something, as I could probably tell him what it was. When I got there he fetched out a golf ball. I asked him where he got it from, and he told me that in the Winter, when there is nothing to do, he walks along the shore and finds lots of these. I asked him whether he had many, and he said a bag full. He brought out the bag, which contained over 250 golf balls, most of them rather black. They were, of course, no good for purposes of playing, but quite suitable for practising.

"These golf balls, no doubt," float across the North Sea, and a friend of mine has suggested that I should ask you whether you can enlighten us from which part of England or Scotland these are likely to come.

FARMING SUPPLIES TUMBLE IN PRICE

Massey-Harris Company, of Toronto, Announces a Twenty Per Cent Reduction in Farm Implements

A reduction averaging 20 per cent on all Massey-Harris farm machinery and implements was announced yesterday by Mr. George T. Michell, sole agent for that firm for Vancouver Island, who has his office and store at 610 Pandora Avenue.

Mr. Michell, when questioned regarding the fall in prices of farm implements, said that the Massey-Harris firm anticipated in its production even lower costs of material, wages, expenses and freight rates than are actually now prevailing, with the object of giving to the farmer at once the benefit of prices which will rule through the season of 1922. He said that a considerable sum would be lost by the company in marking down the price of manufactured goods and raw materials.

During the first three years of the war there were no increases in the price of Massey-Harris supplies, although, Mr. Michell pointed out, there was a rise in labor costs of 36 per cent, and in the raw materials purchased of 32 per cent. The company was able to do this because of the great quantities of raw materials delivered and contracted for on favorable terms during the earlier period of the war.

Prices, however, were forced higher, Mr. Michell said, owing to the enormous increase in the costs which the company was forced to meet in the production and distribution of machines. Basic materials used by the firm, such as pig iron, malleable castings, steel parts, lumber, coal and coke increased in cost 162 per cent, while labor costs went up 147 per cent and transportation charges 100 per cent. In addition to these additional obligations premiums for exchange and sales taxes entered into the cost of implements, which forced the Massey-Harris Company to raise the price of their supplies.

"The firm, realising that the farmers are unable in many cases to purchase implements at the past prices because they have not all had good returns from their farms, is doing everything possible to meet this condition. Some supplies have dropped almost one-quarter of their previous price, although the average reduction in price amounts to approximately 20 per cent," said Mr. Michell.

The customer at the second-hand clothing store was far from being satisfied, but, on the insistence of the proprietor that everything was all right, finally consented to take the suit.

"I'm not at all sure yet that I've a fit," he complained.

"You just go home and take a look at yourself in the glass," rejoined the proprietor, pocketing the money, "and you'll have one all right."—Louisville Courier-Journal.

How Teeth Show!

White or dingy—how conspicuous they are
Remove the cloudy film

There is a way to keep teeth whiter, cleaner, safer. Millions now employ it.

The glistening teeth you see everywhere now largely result from this method.

This is to explain that method. To tell you why authorities advise it. Then to offer you a ten-day test and urge that you accept it.

The film discolors

Your teeth are coated with a viscous film. You can feel it with your tongue. It is ever-present, ever-forming. It clings to teeth, enters crevices and stays.

The ordinary tooth paste does not end that film. The tooth brush, used in old ways, leaves much of it intact. So very few have escaped the damage which that film creates:

That film-coat absorbs stains, making the teeth look dingy. Countless facial attractions are marred in that way. Combat that film for a little while and see how your teeth improve.

How teeth are ruined

That film is now known as the cause of most tooth troubles. It is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea. Also of many other troubles, local and internal.

Despite the tooth brush, these troubles have been constantly increasing. Some have become alarming in extent. So dental science has for years been seeking ways to combat that film.

Two effective methods

Two effective methods have been found. Many careful tests have proved them. They have been combined in a dentifrice called Pepsodent.

Millions of people who have tried it now employ it daily. Leading dentists everywhere advise its use. In almost every circle, glistening teeth show its visible results.

Every home is welcome to a ten-day test. Make it and watch the effects.

Other desired results

Pepsodent brings other effects which authorities desire.

It multiplies the salivary flow. That is Nature's great tooth-protecting agent.

It multiplies the starch digestant in the saliva. That is Nature's agent for digesting starch deposits which may otherwise form acids.

It multiplies the alkalinity of the saliva. That is Nature's factor for neutralizing acids which cause tooth decay.

These results come from every application. They last for some time. And they give Nature much-needed aid in combating the possible effect of modern starchy diet on teeth.

Tooth pastes based on soap and chalk have the opposite effect. Modern authorities oppose them. So Pepsodent omits these ingredients.

We Give
A 10-Day Tube to All

Send the coupon for a tube of Pepsodent. Watch the effects for ten days. Then let your mirror tell you what this film removal means.

To millions of people this ten-day test has been a revelation. Make it for your own sake—now.

You can see and feel what Pepsodent is doing. A book we send explains every effect. Watch these results, learn the reason for them. Then judge for yourself between the new way and the old.

Smoke discolors film

With men who smoke the film is often conspicuously discolored. They are apt to see the greatest effects from the film removal.

Children need Pepsodent most. Young teeth seem most affected by these film attacks. Dentists advise that Pepsodent be used at least twice daily from the time the first tooth appears.

Watch the change

Send the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. Watch how teeth whiten as the film-coats disappear

Note the other effects, and read in our book what each one means to you.

Compare your teeth now with your teeth in ten days. Then decide what is best for you and yours. Few things are more important. Cut out the coupon now.

BLUE FUNNEL SHIP ON WAY FROM YOKOHAMA

Tyndareus Is Due October 27—Kashima Maru Leads Inbound Vessels—Niagara Is Coming

The Blue Funnel steamship Tyndareus sailed from Yokohama October 15, and is scheduled to arrive at this port on October 27, according to cable advices to Dodwell & Company, agents for the fleet here, yesterday. The Tyndareus will sail on the return half of her voyage November 18, after loading at British Columbia and Puget Sound ports. The Talthybius, now taking on cargo on the Sound, clears from this port outbound October 28.

Other inbound deep sea steamships include the N.Y.K. liner Kashima Maru, which will probably make this port October 27, the same day as the Tyndareus. The vessel is due on the following day, but inasmuch as she has aboard the Japanese party bound for the international conference at Washington, there is a possibility that she will be speeded up a knot or two and brought in at an earlier date.

The Canadian-Australian liner Niagara is also en route to this port and is due November 5 from the Antipodes.

BIG BRITISH SHIP IN SEATTLE HARBOR

SEATTLE, Oct. 18.—The 16,000-ton steamship Northumberland, of the Federal Steam Navigation Company of London, sailed yesterday for London, Liverpool and North Europe ports via the Columbia River and San Francisco. The vessel loaded 50,000 cases of apples and some canned salmon here. At Portland she will take on a huge consignment of apples, and will then proceed to San Pedro and San Francisco, where she will take on one of the biggest shipments of California fruits ever to leave those ports by water.

The Northumberland has splendid accommodation for passengers, and it is not improbable that this line will soon cater to the passenger business between this coast and Europe. She is one of five sister ships, originally designed for the Great Britain-Australia service, and is the largest freight steamship to enter this harbor since the operation of the old Minnesota.

In addition to breaking records for size in local shipping circles, the Northumberland also made a remarkably fast voyage from Cardiff to Seattle, making the passage in twenty-eight days. She also set a new mark from the Panama Canal by coming from Balboa to Seattle in fifteen days and seven hours.

The Northumberland is commanded by Capt. F. Jarvis, a veteran British shipmaster who has seen service all over the world. During the World War he commanded British transports in the North Sea, and had many experiences with the German U-boats.

The big freighter, which is equipped with the most commodious refrigerator space of any ship in Pacific waters today, was built at Newcastle-on-Tyne, England, in 1915, and was completed in November of that year. She is 530 feet long, just five feet shorter than the big passenger liner Wenatchee, and 63 feet beam, and has a depth of hold of 31 feet.

Removes Hairy Growths Without Pain or Bother

(Modes of Today)

It is not necessary to use a painful process to remove hairy growths, for with a little delatone handy you can keep the skin entirely free from these beauty destroyers. To remove hair, make a stiff paste with a little powdered delatone and water, spread this on the hairy surface and in about 2 minutes rub off, wash the skin and the hairs are gone. To guard against disappointment, be careful to get real delatone. Mix fresh as wanted.—Advt.

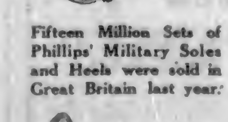
PHILLIPS' MILITARY SOLES AND HEELS

Leather plus Rubber

The ideal combination for soles and heels—leather next to the foot — rubber next to the ground.

—Phillips' Military Soles and Heels turn the trick—give you an ideal sole—make your shoes last twice as long—give double the satisfaction.

Can be Attached to Any Shoe



Fifteen Million Sets of Phillips' Military Soles and Heels were sold in Great Britain last year.

All sizes and weights—carried by your shoe dealer or repair man. He will attach them in a few minutes.

OAKLAND CHOSEN BY PORT AUTHORITIES

VANCOUVER, Oct. 18.—At this morning's session of the Pacific Coast Association of Port Authorities' convention, Oakland, Cal., was chosen as the meeting place for next year, and M. A. E. Carter, Oakland, was elected president. Other officers elected were: Charles T. Howard, Oakland, secretary; Colonel G. H. Kirkpatrick, Vancouver, first vice-president; J. H. McCallum, San Francisco, second vice-president; J. H. Burgard, Portland, third vice-president; Rufus Choate, San Diego, fourth vice-president.

A resolution was passed urging the American and Canadian Governments to acquire and equip air bases for commercial and defence purposes at the various large harbors on the Pacific Coast.

The time used is Pacific Standard for the 120th Meridian west. It is counted from 0 to 24 hours from midnight to midnight. The figures for height serve to distinguish High Water from Low Water. Where blanks occur in the tables the tide rises or falls continuously during two successive tidal periods without turning.

The Height is in feet and tenths of a foot, above the average level of lower Low Water.

Esquimalt—To find the depth of water on the sill of the Drydock at any tide, add 18.9 feet to the height of High Water as above given.

TRIAL JURY ACQUITS ACCUSED OF FORGERY

Francis Turner, Charged in Assize Court With Attempted Cashing of Bogus Race Ticket, Found Not Guilty

Charged with attempting to cash a forged pari-mutuel betting ticket at the Willows race track last month, Francis Turner was tried before Mr. Justice Murphy in the Assize Court yesterday; and was acquitted by the jury after ten minutes' deliberation. He was defended by Mr. Frank Higgins, K.C. Mr. James S. Brandon conducted the prosecution for the Crown.

Mr. Justice Murphy's charge to the trial jury was marked by the strong emphasis placed, both at its outset and conclusion, on the duty of the jury to give effect to what he characterized as the two great principles of British criminal procedure; that a man is innocent until he is proved to be guilty; and that an accused person must be given the benefit of any reasonable doubt as to his guilt.

The case of the prosecution was mainly contained in the evidence of Ernest W. Holden, cashier of a pari-mutuel machine at the race track, and Walter J. Barrett-Leonard, superintendent of the betting ring.

Tricks at Races

Wilfred A. Pomeroy and Charles Pendlebury gave evidence as to trouble at the track on the last day of the race, when, they said, a man rushed up to the line of bettors waiting to cash their winning tickets, and thrust a ticket into the hands of Pomeroy, with the request that the latter would cash it. The ticket turned out to be a forged one; and Pomeroy said that he would have had much trouble to establish his own innocence had it not been that Pendlebury and another had witnessed the incident, and come to his assistance at the wicket.

After the customary addresses by counsel, Mr. Justice Murphy charged the jury that it was necessary for the Crown to prove that the accused knew that the ticket was forged.

The jury returned to the court room, after an absence of ten minutes, with a verdict of not guilty. The jury was composed as follows: Messrs. Fred A. Nickells (foreman), Herbert Ellsmore, Henry Walker, Charles Dodd, William E. West, Isaac G. Daft, John A. Kilgour, Ralph Bagshaw, Frank Harvey, Harold C. Engleson, Charles F. Wharton and Henry Wilmore.

G.W.V.A. BRANCHES WANT AMALGAMATION

Local Association Will Secure Final Disposition of Claims of Ex-Service Men Under Existing Legislation

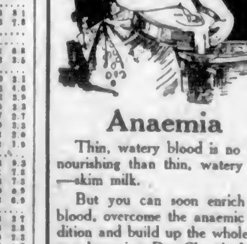
The Victoria branch of the Great War Veterans' Association met last night, with Colonel W. N. Winsby in the chair, and heard letters read from various branches in the Province, in which the sentiment expressed was all in favor of immediate amalgamation of ex-service men. Promises of assistance in the campaign for union were contained in the communications.

Mr. Walter Drinnan, Provincial secretary-treasurer of the G. W. V. A., wrote the local organization that any ex-service men or widows who really believe that they have a legitimate claim or adjustment with any department of the Government at Ottawa should get in touch with Mr. H. P. Thorpe, secretary of the Victoria branch, without delay.

The Navy League enlisted the support of the G. W. V. A. in the campaign which they are waging from October 24 to October 29 to raise funds to carry on their work. The meeting decided to send several members to represent it at a meeting which will be held at the Chamber of Commerce rooms, Arcade Building, on Thursday next, at 5 o'clock, when matters in connection with the drive will be discussed.

The gathering endorsed the project put forward by the Victoria and District Cricket Association in urging the city to provide tennis courts, bowling grounds, cricket pitches and baseball fields on the available property now held by them.

A resolution dealing with the Oriental question was put before the meeting, but action was deferred until a later date. There was a good attendance of members.



Anaemia

Thin, watery blood is no more nourishing than thin, watery milk—skim milk.

But you can soon enrich thin blood, overcome the anaemic condition and build up the whole system by using Dr. Chase's Nerve Food.

Mrs. F. G. Simmons, 42 Curtis St., Brantford, Ont., writes:

"For about eight years I suffered from anaemia. My circulation was poor, my gums and lips were pale, and my hands and feet were always cold. I was nervous and unable to sleep well. I had frequent headaches, seemed restless and easily worried or irritated. There was a buzzing sound in my ears. Indigestion was also one of my complaints, and I often was attacked by weak spells. I went to a doctor, who told me I was anaemic, but as I did not get any better I decided to try Dr. Chase's Nerve Food, and after the first box I felt brighter and my headaches completely disappeared. I continued using the Nerve Food for quite a while. I am quite well now, and cheerfully and gratefully recommend Dr. Chase's Nerve Food to people suffering as I did before I used this splendid medicine."

Dr. Chase's Nerve Food, 50c a box, all dealers, or Edmanson, Bates & Co., Limited, Toronto.

AMALGAMATION IS MAKING HEADWAY

Provisional Committee Will Unite Local Ex-Service Men Even if Various Dominion Commands Reject Union

Amalgamation is making good headway in Victoria. President Robert Macnicol informed members of the provisional ex-service amalgamation committee at last night's meeting that 854 applications for enrollment in the amalgamated body of returned men have already been filled out, and that a nominal roll of membership is in the course of preparation.

A resolution urging the coming Dominion convention of the Army and Navy Veterans to effect immediate amalgamation was unanimously approved.

Comrade H. Despard Twigg declared that the Army and Navy Veterans were bound to amalgamate, even to the point of secession from the parent body. He said that the canteen funds should be distributed among the veterans of the great war only, and it was wrong in principle to turn over the funds to any existing ex-service organization.

Members of Navy

The delegates of the Naval G.W.V.A. informed the meeting that they had full powers, and that their organization was an entirely independent association operating under a Dominion charter embodying naval members only. It was unanimously decided to amend the provisional constitution of the amalgamated body to permit the navy to be properly represented on the executive council.

The first meeting when enrolled members of the amalgamated association may attend will be held on November 4 instead of October 31, the postponement being made to enable the provisional committee to receive reports from the G.W.V.A. and Army and Navy Veterans' convention delegates.

The G.W.V.A. wrote the committee soliciting their support in the sale of poppies on Armistice Day. The meeting, while in sympathy with the object of the appeal, refused to take action on the request, maintaining that members were only delegates and that the letter should be sent on to all the ex-service organizations.

Among the members of the committee present last night were: Comrades Bowden and Aitken, G.W.V.A.; Comrades Twigg and Darke, A. and N. Veterans; Comrade Smith, British Campaigners; Comrades Hatcher and Pearson, Naval G.W.V.A.; Comrades Macnicol, Christian and Mooney, Veterans of France, and Comrades McKenzie and Crouch, G.A.U.V.

BRIDGE CONTRACT IS NEARING COMPLETION

Nearly Two-Thirds of Concrete Has Been Laid for Foundation—Work Will Be Rushed to Finish by Mid-November

The city's part of the construction of the Johnson Street bridge will be completed by mid-November, according to an estimate made yesterday by City Engineer F. M. Preston, after going over figures indicating the progress so far made and comparing them with the programme remaining to be carried out.

The city's contract comprises the building of the concrete foundation for the bridge. When that is completed, the Canadian Bridge Company's operations will commence. This concern has the contract for building the highway portion of the superstructure, and the first shipment of steel for that part of the bridge is expected to arrive within a few days. Mr. Preston stated yesterday that his department is already prepared to install some of the steel grillage, which is to be placed on top of the concrete base to act as the support for the superstructure.

Of the 6,500 cubic yards of concrete that will be required for the whole of the foundation, 4,000 yards have already been laid. Working two shifts a day, it will be possible to lay 400 yards daily. If nothing intervenes to interfere with progress, all the concrete will be down within a couple of weeks. The actual laying of the cement takes little time. The most difficult and lengthiest part of the job is the building of the caissons and scaffolding, and that has been done. It is not spectacular work and it may be hard for the outside observer to appreciate the progress made, but what is being done now is regarded as the most vital feature of the whole undertaking.

A concrete mixer installed on a scow is now in position just south of the counter-weight trunnion pier, which is now being gradually filled in with cement conveyed by a crane operated from the eastern harbor shore. The cement has now reached the high water mark and it will reach its full height by the end of the week, if all goes well.

The western and eastern abutments are already complete. The rest pier and the main trunnion pier remain to be filled. The wooden forms are being prepared.

Tarry a little that we may make an end the sooner.—Paulet.

MRS. M. JENKINS WAS GUEST AT RECEPTION

Three Hundred and Seventy Attended the Function Held Yesterday Afternoon by the Women's Canadian Club

Mrs. Margaret Jenkins was the guest of honor yesterday afternoon at a reception given by the Women's Canadian Club at the Empress Hotel, which was attended by three hundred and seventy ladies. Mr. George Jay was also among those present.

On a raised platform at the end of the ballroom were seated Mrs. Jenkins, Mrs. Hyndman, president of the club, Mrs. Spofford and Mr. Jay. Huge bowls of dahlias and palms brought a charming note of color into the decorative scheme, and the table over which Mrs. Hyndman presided was draped with the Union Jack.

The president presented Mrs. Jenkins with a beautiful bouquet of roses tied with mauve tulle, accompanied by the club's deep appreciation of all the work achieved by the recipient.

Throughout the afternoon representatives of different organizations in Victoria rose and paid most sincere tributes to Mrs. Jenkins, who has resigned from the presidency of the Women's Canadian Club and is withdrawing from public life. Mrs. E. O. Weston was the first speaker, representing the Metropolitan Methodist Ladies' Aid, and was followed by School Trustee George Jay, who has worked in co-operation with the guest of honor for many years.

Mrs. Graves, who spoke on behalf of the Local Council of Women, delivered a very eloquent address, after which she presented Mrs. Jenkins with a bouquet of roses and snapdragons.

Mrs. Curtis Sampson, representing the Imperial Order Daughters of the Empire, expressed most charmingly the Order's good wishes to the guest of honor, as did also Miss Lottie Bowron, on behalf of the Conservative Women's Club. Mrs. Thompson and Mrs. W. R. Sayer signified the great esteem with which Mrs. Jenkins is held by the Ladies' Guild to the Connaught Seamen's Institute, and presented her with a gift in token thereof. Mrs. Spofford, representing the W.C.T.U., added also to the tributes paid by the speakers.

University of B.C.

Mrs. Hyndman spoke for President Klinck, of the University of British Columbia, in his unavoidable absence, and expressed the appreciation of the women of the University for Mrs. Jenkins, which was manifested when she was elected an honorary member to their society.

Mrs. Emmeline Pankhurst spoke of the guest of honor as "one of that great band of pioneer women, which dates back to a time when conditions were very different from today. One tribute is lacking," continued Mrs. Pankhurst. "I am referring to Mrs. Jenkins' family, who could, I am sure, tell us something about her sustaining power and goodness as a mother. Mrs. Jenkins is not only a great public woman and pioneer, but she is also a great woman in her home life, as a mother, too."

In response to the many speakers, Mrs. Jenkins replied with a sincerity and naturalness which was most appealing. After recalling certain memories of the past, Mrs. Jenkins said: "Today's gathering really convinces me, after all, that nothing is lost," and in conclusion, "I never felt I had done very much work, but, after all, my life has not been purposeless."

Following Mrs. Jenkins' response a delightful musical programme was carried out by the Ladies' Musical Club, with the following artists contributing: Mrs. Harry Briggs, Miss Eva Hart and Miss Nellie Lugrin, who sang two Welsh solos by special request, "All Through the Night" and "One Bright Summer Morning." Mrs. A. J. Gibson played the accompaniments with her usual artistry, and a duet with Jose Rodriguez, who also played one of Liszt's concertos.

Don't Prod Your Liver to Action

NR Overcomes Biliousness, Constipation, Sick Headache, Quickly. No Griping or Pain. Guaranteed.

The organs of digestion, assimilation and elimination—the stomach, liver and bowels—are closely allied, and the proper action of any of these organs is largely dependent upon the correct functioning of all the others.

"Whipping" your liver into action with calomel or forcing your bowels with irritating laxatives or strong cathartics is a great mistake. A better, safer plan is strengthening and toning the whole digestive and eliminative system with Nature's Remedy (NR Tablets), which not only brings immediate relief, but genuine and lasting benefit. It acts on the stomach, liver, bowels and kidneys, improves digestion and assimilation, overcomes biliousness, corrects constipation and quickly relieves sick headache.

Get your system thoroughly cleansed and purified for once; stomach, liver and bowels working together in vigorous harmony, and you will not have to take medicine every day—just take one NR Tablet occasionally to keep your system in good condition and always feel your best. Remember it is easier and cheaper to keep well than it is to get well.

Get a 25c box and try it with the understanding that it must give you greater relief and benefit than any bowel or liver medicine you ever used or no pay. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

U.S. SENATE RATIFIES TREATY

Peace Pact With Germany Passes With Reservations Reported by Foreign Relations Committee

WASHINGTON, Oct. 18.—The Senate tonight ratified the treaty of peace with Germany with the reservations reported by the foreign relations committee. The vote was 66 for ratification to 20 against.

The Senate also ratified the peace treaty with Hungary and one with Austria by the same vote.

This completes the administration's immediate programme with the Central Powers.

What's at the Playhouses?

CAPITOL THEATRE Richard Barthelmess had a great role in the picture, "Experience," which is playing at the Capitol all this week to appreciative audiences. Mr. Barthelmess takes the part of "Youth." Youth leaves home for the city to meet Experience. Love and Hope bid him a sad farewell. Youth encounters Pleasure in the city, and dazzled by her brilliancy, he asks Opportunity to wait, but the latter declines. At the Primrose Path, Pleasure introduces Youth to Beauty, Wealth, Fashion and Intoxication. Youth's mother dies, and Love wires him the news, but the telegram is intercepted by Temptation who holds Youth in thrall. Youth's money vanishes and his friends desert him. Chance offers Youth an opportunity to replenish his fortune at the gaming table, and Youth is ruined. He obtains work as a waiter in a dance hall and is discharged on an accusation of theft. Disgusted and ill, he falls prey to Vice and Habit, who show him how to use drugs. He then meets Crime and agrees to rob the home of Wealth. On his way he hears singing in a church and repents. He returns home, where he meets Love and finds happiness. Ambition again seeks Youth, and with Love by his side he starts life anew. Some splendid musical numbers are rendered by the Capitol Ladies' Trio; their dainty song offerings are quite one of the best things lately heard at the Capitol. They are appearing at the matinee today, Wednesday.

VARIETY THEATRE Mae Marsh, the petite and whimsical screen star, who is seen in the leading role of "Nobody's Kid," a Robertson-Cole production which will be shown at the Variety Theatre again today, is an interesting and unusual character. This new venture is her second effort on the screen since her retirement several years ago, when she deserted the silver sheet to take up the role of a mother and remain by her own fireside. After the desertion of the popular star, photoplay lovers clamored for her, but it was not until Mary Marsh Arma, the new family addition, had reached the toddling stage that her "Mom" consented to act again before the camera. It is well known in the movie world that before she had given moving pictures a thought Miss Marsh was hard at work as a sculptor and painter. Nor was her work without recognition, because a number of critics gave her honorable mention on the exhibition of her works. However, Miss Marsh found it difficult to keep her mind from taking wild jaunts into the open. A shy child naturally, Miss Marsh found it difficult to overcome this impediment, and it was not until she found herself face to face with the "movies" that she became mentally contented.

ROYAL VICTORIA In "Ace of Hearts," the Goldwyn photoplay by Gouverneur Morris, which will be shown at the Royal Victoria Theatre again today, there are three leading parts instead of the usual one. The story calls for two leading men and a leading woman, with the interest and the story emphasis centred on the three as a group. The sympathy of the audience goes to all three characters, enmeshed as they are in a problem that involves them all equally. Lon Chaney plays an unusual character part, that of a dreamer who suddenly finds himself hopelessly in love with a girl, played by Leatrice Joy, who is not interested in any particular man. However, the time comes when one of the men, facing the danger of almost certain death, convinces the girl that it is he whom she loves. John Bowers was chosen to play the lucky man who escapes death and wins the girl. Other well known actors in the cast are Hardee Kirkland, Edwin N. Wallack and Roy Laidlaw. A musical treat is in store for music lovers when they hear the Royal Musical Trio at the above theatre this week. A programme has been chosen that will appeal to all tastes. This, in addition to a good comedy, Bruce scenic, and a Bray pictograph, will form an entertainment well worthy of support.

DOMINION THEATRE When is a villain not a villain? That is a question answered by Allan Hale, noted screen actor, in his portrayal of the role of George Mason in George Melford's new Paramount production, "A Wise Fool," which comes to the Dominion Theatre all week, with James Kirkwood as the featured player. When Mr. Hale first makes his advent in the picture as George Mason, he is a home-breaker, for he falls in love with Carmen Dolores, the wife of Jean Jacques Barbille, and plans an elopement. His later wins the sympathy and admiration of the audience and is more or less a hero. This is accomplished by a delightful twist in the story. Mr. Hale is well known for his many excellent portrayals on the silver sheet, including roles in such productions as "The Lone Thief," "The Price She Paid," "The Whirlpool," "One Hour," etc. "A Wise Fool" is an adaptation of Sir Gilbert Parker's novel, "The Money Master."

TODAY'S AMUSEMENTS

The Screen

Royal—"Ace of Hearts."
Capitol—"Experience."
Variety—"Nobody's Kid."
Dominion—"A Wise Fool."
Columbia—"The Branding Iron."

PRINCESS THEATRE This week's offering by the Mildred Page Players will be "Mrs. Wiggs of the Cabbage Patch," a famous comedy of tears, well known first as a popular book and then as a play. The talented Mildred Page Players are quite equal to the task of giving the play in the finest style. All the company will be at their best, and while the play alone is up to or above the usual offerings of this company, there will be in addition a number of clever singing and dancing specialties which cannot fail to delight those attending. Also there will be another contest announced Wednesday night, and prizes for the same given out one week from Wednesday.

COLUMBIA THEATRE Seven reels of action brand Goldwyn's feature, "The Branding Iron," as one of the season's best. Barbara Castleton is the star and Reginald Barker the director. Shown at the Columbia Theatre today for the last time.

LITTLE THEATRE Martin Marie Rigobert de Garnache—this is the impressive name of a very intrepid hero who leads a life of thrilling adventures during the short period that the story of the Queen's Messenger is unfolded in the play entitled "In the Queen's Service," which is to be produced at the Little Theatre by the Victoria Dramatic and Operatic Society. He is a modest soldier, inclined to be philosophically cynical regarding the benefits accruing from the presence of the women in the world and a facetious fate plays a trick upon him. To use his own words: "Fate has now decreed that I of all men, I who have avoided petticoats as I would the plague, am the instrument whereby one woman seeks to rescue a second woman from the clutches of yet a third woman." But he is extremely chivalrous despite his philosophy, and he is also loyal to his duty and ignorant of fear, and so he sets out upon the distasteful errand. After four acts of endeavor and repulse, duels and hairbreadth escapes, he finally proves successful and entirely frustrates all the schemes set in motion against him by the haughty and unscrupulous Marquise. The box office will open at Kent's Edison Store on Thursday next, and the first performance is to be on Saturday.

PREMIER OPENS ONTARIO FIGHT

Continued from Page 1

Crerar's manifesto, he said, showed lack of courage, because it voiced vague charges without pointing out a single improper act on the part of the Governement.

"I ask Mr. Crerar to get up and say where and when we did the bidding of the big interests," declared the Premier emphatically. "Mr. Crerar was himself a member of this Government for almost half its term. Was he doing the bidding of big business then? Does he think that we ceased to be virtuous just as soon as he left the Government? Does he think that he was the only angel in the Sodom of politics?

"Mr. Crerar seeks to arouse passions and prejudices of men who work hard and he seeks to do it by cowardly innuendo. Let him come out in the open and name an act in which the Government has been dishonest or catered to the big interests, and I'll guarantee to meet his charges."

Mr. Meighen insisted that Mr. Crerar was at heart a Liberal.

"By everything that animates Mr. Crerar, he is Liberal to the bone," he declared. "I say he used his party in the House of Commons and he will use it out of the House if he is allowed, simply to further the interests of the old Liberal party with whom his heart is lodged. That is why I describe his party in the House as a dilapidated annex of the Liberal party."

Mr. Meighen followed his usual argument in discussing the tariff. He condemned the policies of the Liberals and Progressives as being calculated to strangle Canadian industries and said that if the whole world was free trade he would still favor a protective policy for Canada. The Fordney Tariff Bill had already shut out Canadian goods to the value of $148,000,000 in a single year. When other countries were building up their tariff, Canada would be ill-advised to lower hers.

BEAUTY OF THE SKIN
is the natural desire of every woman, and is obtainable by the use of Dr. Chase's Ointment. Pimples, blackheads, roughness and redness of the skin, irritation and eczema disappear, and the skin is left soft, smooth and velvety. All dealers, or Edmanson, Bates & Co., Limited, Toronto. Dr. Chase's Ointment

YOUNG MUSICIANS GAVE ENTERTAINMENT

Programme at Princess Theatre by Naval Brigade Band and Arthur White, Youthful Performer

The Boys' Naval Brigade Band gave its first concert to a large audience at the Princess Theatre on Monday evening, and by the applause and encores it is certain that the young musicians have established a foothold as a first-class ensemble, under the direction of Bandmaster Rumsby.

Everyone expressed great surprise at the excellent music furnished. Arthur White, the boy comedian from the Vancouver Brigade, was a most popular number, and his songs and dances have not been equalled in this city. His first number was "Ship Ahoy," dressed in sailor's uniform of white; his second turn was "That's the Reason Noo I Wear a Kilt," dancing the Highland Fling. He was accompanied by Mr. Cameron and his bagpipes. His last number was "Tipperary," followed by an Irish jig, also accompanied by the bagpipes.

Mr. W. H. Langley addressed the audience, and pointed out how the Navy League was doing its utmost to educate the people of Canada to the necessity of Canadian ships seeking trade, and that the ships be manned by Canadians. He also asked the audience to respond to the call that the Navy League was sending out during the week of October 23, when the annual drive was to be commenced.

Work of League

Mr. P. A. Rayner, secretary, gave a very concise idea as to what the local branch had accomplished during the past twelve months. He explained how the boys were trained to man the merchant service, and particularly pointed out how the sea spirit had been bred in the boys so that now numbers wanted to go to sea, whereas a year ago it was difficult to fill any vacancy.

He explained that the cost of running the organization was much lower than other points in Canada, namely, $28 per boy, against $60 in the East.

Judging by the enthusiastic reception from the audience, the Navy League should be sure of raising the sum of $4,000, which is the object of the drive.

PIANO RECITAL GIVEN

Pupils of Mrs. Bridges Gave Successful Programme of Vocal and Instrumental Numbers

The pupils of Mrs. Bridges gave a most successful recital Friday night in Fletcher's Music Store, which Mr. Fletcher had most kindly lent them. A large and most enthusiastic audience enjoyed a delightful evening. The students, as usual, won golden opinion for the high standard of their music. Many of them hold certificates from Toronto University, in the examinations of which Mrs. Bridges wishes to enter all her pupils. Two pupils of Cav. C. Di Castri gave an example of his excellent method in vocal training for children. Barbara Parkes contributed a pretty little step dance.

The programme was as follows:

Part I—Junior Class

Troisieme Majurk .....Godard
Miss Florence Hambley
Petit Galop de Concert.....Perrier
Miss Phyllis Fetherbridge
Ferns and Flowers .....Kusner
Miss Adeline Crossley

Reappointed Governor

OTTAWA, Oct. 18.—Sir James Aikins has been reappointed Lieutenant-Governor of Manitoba for the full term of five years it was officially announced today.

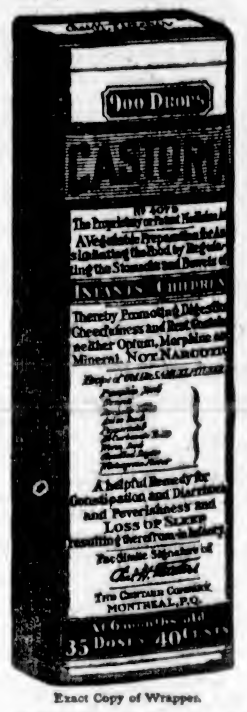
Are You Human?

A little baby. A little child. Don't they appeal to you? Doesn't your heart yearn to pick them up, to cuddle them close to you, to shield them from all harm? sure it does else you're not human. Being human you love them. Their very helplessness makes you reach out in all your strength to aid them. In health there's no flower so beautiful. In illness there's no night so black.

Save them then. Use every precaution. Take no chance.

When sickness comes, as sickness will, remember it's just a baby, just a child and if the Physician isn't at hand don't try some remedy that you may have around the house for your own use.

Fletcher's Castoria was made especially for babies' ills and you can use it with perfect safety as any doctor will tell you. Keep it in the house.



Exact Copy of Wrapper.

Children Cry For
Fletcher's
CASTORIA

A Word About Truth.

"Great is Truth, and mighty above all things." So says the Old Testament, yet it is equally true to-day. Truth shows no favors, fears no enemies.

From the inception of Fletcher's Castoria, Truth has been the watchword, and to the conscientious adherence to this motto in the preparation of Fletcher's Castoria as well as in its advertising is due the secret of its popular demand.

All imitations, all substitutes, all just-as-good preparations lack the element of Truth, lack the righteousness of being, lack all semblance even in the words of those who would deceive.

And you! Mothers, mothers with the fate of the World in your hands, can you be deceived? Certainly not.

Fletcher's Castoria is prepared for Infants and Children. It is distinctly a remedy for the little-ones. The BABY'S need for a medicine to take the place of Castor Oil, Paregoric and Soothing Syrups was the sole thought that led to its discovery. Never try to correct BABY'S troubles with a medicine that you would use for yourself.

MOTHERS SHOULD READ THE BOOKLET THAT IS AROUND EVERY BOTTLE OF FLETCHER'S CASTORIA

GENUINE CASTORIA ALWAYS
Bears the Signature of
Chas. H. Fletcher.
THE CENTAUR COMPANY, NEW YORK CITY.

BAND CONCERTS ARE PLANNED FOR WINTER

First by G.W.V.A. Musicians Will Be Given in Capitol Theatre After Church Hours Next Sunday Evening

Interest in band music has been much in evidence in the past, and it must be a pleasure to those who have attended band concerts in this city to know that weekly concerts for the Winter months have been arranged to be given on Saturday and Sunday evenings, the former by the Fifth Regiment in the new drill hall, which will include dancing and basketball, and the latter by the G.W.V.A. band, which begins its series of twenty concerts at the Capitol on Sunday evening next, after church hours.

At these concerts the best talent will participate, already over forty singers and instrumentalists having consented to take part. At the opening concert Mrs. Bertram Mayell, soprano; Miss Hilda Knight, contralto, of London, England, and Victor Edmunds, tenor, will sing, and the band of thirty pieces, under Bandmaster Miller, has arranged most enjoyable numbers.

Manager George J. Dyke has made arrangements with the management of the Capitol Theatre to have all holders of subscription tokens enter by the east door. These tokens, at $5 and $3, are now for sale at Fletcher Bros.' Music Store.

NEARLY THIRTY-NINE MILLIONS IN P.G.R.

Amount Expended in Connection With Government Road Up to September 30 Last Was $38,652,703

Up to September 30 last the total amount expended in connection with the Pacific Great Eastern Railway, the Government-owned line, was $38,652,703.02, according to a statement presented to the report setting forth a statement of accounts of the railway as of June 30, 1921, duly audited by Messrs. Buttar and Chisnc, accountants, of Vancouver. It shows that the assets on that date were as follows: Investment in road and equipment, $36,330,282.18; miscellaneous property, including real estate, $344,055; Squamish hydro-electric and waterworks system, $159,616, and other miscellaneous physical property, $52,188; current assets, $576,501; discount on funded debt, $909,342. Liabilities were: Capital stock, $40,000,000; guaranteed debenture stock, $20,130,000, less $5,926,195 pledged to the Province; Provincial loans, $18,578,627; interest paid on guaranteed stock, $4,341,125; accounts payable, $486,015, of which $329,320 was owing to the Northern Construction Company.

On June 30 last the total investment in the road was $36,375,110, the chief items of which were: Grading, $13,410,640; bridges, trestles and culverts, $3,942,954; rails, $2,414,433; interest during construction, $3,585,327; ties, $345,524; engineering, $317,025; location, $310,549; revenues and operating expenses during construction, $763,762; locomotives, $273,811; freight cars, $325,245; passenger cars, $311,754. In addition there was spent $45,321 on the Peace River extension, of which $42,508 was for engineering outlays.

Railway operating expenses for the year ended June 30 last were $833,946, and operating revenues, $452,507, a net deficit on railway operations of $375,443. To this was added outlays on sections of the road operated, but not turned over to the operating department, and other items totalling $71,947, and against that was a total of $90,312 for hire of freight cars, rent from locomotives, etc., leaving a net deficit of $357,382. Operating revenues were made up of $275,434 on the Squamish section, and $78,938 on the North Vancouver section, a total of $448,374, with incidental revenues of $4,933, or a total of $453,307.

BIRTHS, MARRIAGES, DEATHS

BIRTHS

KNICKERBOCKER—At St. Joseph's Hospital, on October 17, to Mr. and Mrs. R. H. Knickerbocker, of Cobble Hill, B.C., a daughter.

DEATHS

COBB—On October 18, at his home, 862 Heywood Avenue, Jesse Cobb, beloved husband of Mrs. Alice Emily Cobb, aged 59 years, born in Essex, England, and a resident of this city for the past ten years. The deceased is survived by, besides his widow, two sons, David and Fred Cobb, both of this city; also four daughters, Mrs. W. C. Heathfield, Mrs. W. Hitchensmith, Jr., of Victoria, Mrs. A. Murray, of Seattle, and Elsie, at home. He was a member of Pride of the Island, S.O.E., and Court Northern Light, A.O.F. The funeral will take place on Friday, the 21st inst., at 2 o'clock from the Sands Funeral Chapel. Interment will be made at Ross Bay Cemetery.

Belleville, Ontario, papers please copy.

DURHAM—On October 16, 1921, at the residence of her daughter, Mrs. Hall, 822 Linden Avenue, Sarah Durham, widow of the late Thomas Philip Durham, in her 83rd year; born at Barrow-on-Soar, England.

The remains are reposing at the B. C. Funeral Chapel, from whence the funeral will take place on Wednesday, October 19, at 2:15 o'clock, proceeding to the Metropolitan Methodist Church, where service will be held at 2:30 o'clock. Interment will be made in the family plot at Ross Bay Cemetery.

MACDONALD—At the residence, 1155 Fort Street, Marjorie Kathleen, beloved wife of Maynard F. Macdonald, aged 65 years, born at Romford, Essex, England. She is survived by her husband and two children, also two brothers, S. G. Gordon, of Long Beach, California, and L. A. Gordon, of Victoria. Her mother, Mrs. J. Aberdeen Gordon, also lives here.

The remains are reposing at the B. C. Funeral Chapel, from whence the funeral will take place on Wednesday, October 19, at 0:30 o'clock, proceeding to St. John's Church, where service will be conducted by Rev. F. A. P. Chadwick. Interment in Ross Bay Cemetery.

FUNERAL NOTICE

Members of the Pride of the Island, S.O.E., are requested to attend the funeral of our late Brother Joseph Cobb, and to meet at the Sands Funeral Chapel for that purpose. R. B. Godfree, president. A. E. Brindley, secretary.

EXCELLENT BUYS

EASY TERMS ARRANGED ON ANY CAR

$625—1921 CHEVROLET 5-seater. This is a genuine 1921 model, and it is in every way equal to new. The tires are excellent (3 brand new ones), and it is equipped with special no-glare headlights and other extras. This is certainly the best buy in Victoria.

$525—1920 FORD, 5-passenger, in the very best of condition. Here's your chance to get a real bargain. It has 4 equal to new tires, and the motor runs first rate. This car is easily worth $625, as it has had very careful use.

$365—1918 MODEL Ford, 5-seater, in first-class condition. This car runs and looks as good as a new one, and it has excellent tires, no-glare headlights and other extras. It will pay you to see this bargain.

$300—1918 MODEL Ford, 5-passenger, in dandy shape. It has all good tires, a good top, the paint is good and the motor runs like a charm. You can't beat this at only $300. A small payment down and the balance easy takes this snap.

$725—McLAUGHLIN 5-seater, in beautiful condition. This car has had very careful use, having been driven only by an experienced driver. The tires are in extra good order, with a spare; the top is new and it is equipped with numerous extras, such as no-glare headlights, etc. This is a bargain at $725.

$225—FORD 5-passenger, in first-class running order. This car has an excellent motor, and it has very good tires, etc. You can't beat this at $100 cash and the balance payable at $25 a month.

$975—McLAUGHLIN 5, five-seater, in beautiful condition. This car looks and runs absolutely as good as a new one. It has very good tires, with a spare, an excellent top with a full set of side curtains, special no-glare headlights and numerous other extras. This is a real bargain at $975.

$750—OVERLAND, 1920 model, light four. This is the car you have been waiting for. It has only been in use a few months, and it runs beautifully. The tires are equal to new, and you can get 35 miles to a gallon of gasoline. You can't beat this one.

TRUCKS

A NEW TRUCK IS OFTEN THE CHEAPEST AND MOST SATISFACTORY IN THE END, AND OUR DEFERRED PAYMENT PLAN MAKES ONE JUST AS EASY TO PAY FOR

TRAFFIC—The world's greatest truck value. Price $2,350, Vancouver. Traffics are built in one size only, 4,000 pounds capacity. Everyone knows that specialization on one model permits quantity production, which makes possible a very low price. Any other truck of the same capacity, with similar quality units, would cost you at least $300 more.

THESE are Traffic units—the best made: Continental Red Seal motor; Covert transmission and multiple disc clutch; Bosch magneto; 4-piece cast shell, cellular type radiator; drop forged front axle, with Timken roller bearings; Russell rear axle, internal gear, roller bearings; semi-elliptic front and rear springs; 6-inch U-channel frame; 34 by 3½ front and 34 by 5 rear solid tires; 133-inch wheelbase; 133 inches length of frame behind driver's seat; oil cup lubricating system; pneumatic cord tires extra cost.

SHOULD you want to get a truck—one that will make money for you—Traffic is the safest investment you can make.

HOMES

A CHARMING OAK BAY HOME of six attractive rooms, large and bright, and having fireplaces, panelled walls, and the owners will leave the stove complete in the kitchen. The lot is 55 x 130, all first class soil, and in the rear of the house is a beautiful secluded lawn, with fruit trees, ornamental trees and shrubs, and to the rear of this a large garden and small fruits. Also a one-room house on the back of the lot. Price $4,000, with $1,000 cash, balance to suit purchaser.

SITUATED in one of the highest and healthiest locations in the city, we have for sale and immediate possession a six-room bungalow, having reception hall, with extension hall to rear rooms, bright living-room with fireplace, and dining-room with panelled walls, built-in buffet and fireplace, both rooms facing the street, pass pantry, cheerful kitchen and three good bedrooms and bathroom. The basement has cement floor and stationary tubs. This is on a fine lot, all fenced, and with large chicken houses and good garden. Price, on terms, $4,000.

WE HAVE A LIST OF OVER 300 HOMES AWAITING YOUR INSPECTION

ACREAGE

A MORTGAGE FORECLOSURE JUST COMPLETED—13 acres of absolutely first class heavy black soil, all cleared and under cultivation, fenced and cross-fenced into four separate fields, and with only the road between the property and the water. Buildings consist of good barn for five head stock, large hay loft, root house, implement house and large chicken house. Waterfront property in the neighborhood held at $2,000 per acre. THIS MUST BE SOLD IMMEDIATELY AND CAN BE BOUGHT FOR THE RIDICULOUS SUM OF $4,000. Easy terms can be arranged to suit purchaser.

ONE ACRE AND 15-ROOM HOUSE in Esquimalt, very high situation and only one block from the car. All the land is good soil and in extra fine condition as a result of years careful planning and work, bearing fruit trees of almost every description, small fruits in abundance, fine garden, large lawns, oaks and ornamental shade trees, and a large variety of roses, bulbs and flowers. The home was built by the owner for his own use, is modern in every detail, and is better today than new. This is another real snap, and can be bought for $3,300, on terms.

FIRST TIME ON THE MARKET

ONE OF THE MOST CHARMING AND ATTRACTIVE LITTLE BUNGALOWS IN THE CITY

THIS is really a lovely little home and will appeal to the discriminating purchaser. There is a small vestibule, very large living-room, 3 cosy little bedrooms, Dutch kitchen, fully equipped bathroom, and large sunroom with a southerly aspect. The living-room has a six-foot open brick fireplace, built-in buffet, leaded glass windows, etc. The decorations on the walls and ceiling are all hand painted in oils, and are guaranteed to keep their present appearance for years to come. The bedrooms are beautifully papered and tinted, and each contains a large clothes closet. The kitchen is finished in Dutch style with all kinds of built-in conveniences, white enamelled and stencilled walls. Large pantry or scullery with stationary wash tubs. The floors are all well laid and highly polished. The house is in first-class condition inside and outside, and will not require a cent of expenditure for the next five or six years. There is a large, well built garage large enough for car and workshop. Cement sidewalks and runway. Pretty little lawn and garden. Ideal location, quiet locality, and handy to three car lines. If you are looking for a "Home" this will surely appeal to you. Ask to see the photographs.

BRITISH AMERICAN BOND CORP., LTD.
Insurance and Financial Agents
723 Fort Street

WHAT IS THE SENSE
of keeping money in the bank and going on paying rent?

HOW MUCH COULD YOU BORROW
on your rent receipts, if you keep them? What has it cost you for moving expenses alone in the last five years? Wouldn't it be better to make a payment on a house with most of your savings, fix it up to suit you with the balance, and make the monthly payments on principal and interest out of your income? You would then have a home, and every dollar, or hour's time, spent on it would be adding to your investment as well as your comfort and pride.

Here is a three-room cottage, on a fifty-foot lot, paved street, near the best car service, two miles from city centre, in Oak Bay. Nice, bright living-room with fireplace, good-sized bedroom, large cheery kitchen, bathroom with bath and toilet; woodshed; electric light and phone.

You can have this for One Thousand Dollars. Make a small cash payment, pay about $20 per month on the balance, and you will be the absolute owner in about four years at the most.

We expect a stampede for this. Be the first one to see it, and have your deposit ready.

ACREAGE FOR SALE 42 (Continued)

PEMBERTON & SON
Pemberton Bldg. Phone 2720

30 ACRES—About 13 acres under cultivation, 18 acres slashed, burned and seeded to pasture. A well-assorted orchard of 60 trees and some small fruits. A new modern house of 6 rooms, with water laid on; a good barn, poultry houses and other outbuildings. Situated close to school and railway station. Excellent shooting and fishing. A waterfront cabin on Cowichan Bay is included with this property. Price $13,000.

36½ ACRES, of which 23 are under cultivation, 4 acres slashed and seeded, and 4 acres timber. The total acreage is excellent soil; ample water supply, two wells and running stream. A house of 6 rooms, with water laid on. Barn accommodation for 14 head of stock and hayshed. Poultry house for 800 birds, and other outbuildings. This property is nicely situated and a real producer. It is carrying 10 head of stock at the present time. We believe this to be one of the best small dairy farms on the Island for the price, $8,300.

40 ACRES, about 13 cleared, balance all good land. All fenced and cross-fenced. A young orchard of 50 trees and a splendid assortment of small fruits. Crop last year was 70 bushels to the acre, hay crop three tons to the acre. A modern bungalow with bath, wash basins in bedrooms. Exceptionally good water supply pumped to tank by gas engine. Barn for 7 head, new silo, poultry houses for 800 birds, brooder house complete, colony houses. An up-to-date dairy, workshop and other outbuildings. This property is well situated and is an excellent producer. The owner will allow a liberal discount for cash. Further particulars at our office.

LAND REGISTRY ACT
SECTION 155

In the Matter of Lot Three, Block Three, Subdivision of Lot Six, Maplewood, District of Saanich, Province of British Columbia. Map 1065.

To John M. Shires.

TAKE NOTICE that application has been made to me to cancel the right to purchase registered in your favor under an Agreement for Sale, dated the 8th day of April, 1912, between Geoffrey H. Williams as Vendor and yourself as Purchaser of the above lands and registered in Charge Book, Vol. 21, Fol. 16, under Number 8313-G.

AND TAKE NOTICE that you are required to attend before me at the Land Registry Office in the City of Victoria on Saturday, the 21st day of November, 1921, at the hour of 11.00 o'clock in the forenoon, when I shall hear all parties attending, and upon proof to my satisfaction of breach of covenants on your part contained in the Agreement, and of re-entry and recovery of possession by the registered owner, I may cancel the registration of the said Agreement to Purchase upon the Register, and thereupon the Agreement and your Estate in the land shall cease and determine but without releasing you, the said Purchaser, from your liability in respect of any covenants to such agreement expressed or implied.

DATED this 12th day of October, 1921.

FRANK J. STACPOOLE,
Registrar of the Victoria Land Registration District.

THIS NOTICE may be served by substitutional service on the said John M. Shires by advertising the same in one issue of The Victoria Daily Colonist.

FRANK J. STACPOOLE,
Registrar of the Victoria Land Registration District.

NOTICE TO CREDITORS

All persons, firms or corporations having claims against Harry W. Brien, who has heretofore carried on business at Victoria as a druggist under the style of Empress Drug Hall, are required to forward particulars of their claims, duly verified, addressed to the undersigned, on or before the 31st day of October, 1921.

And notice is hereby given that at the said date we, the undersigned, pursuant to the provisions of the Bulk Sales Act, and amendments, proceed to distribute the proceeds of the sale of the said business amongst the parties entitled thereto, and that we will not be responsible for the said proceeds so distributed to the person or persons whose debt or claim we shall not then have received notice of.

Dated this 14th day of October, 1921.

THE BRITISH COLUMBIA LAND AND INVESTMENT AGENCY, LIMITED,
Trustee under the provisions of the Bulk Sales Act.

GRAND JURY STILL OUT IN CHARLIE BO CASE

Question of True Bill or None in Famous Police Bribery Case Will Be Resumed Today—Two Bills Returned

After deliberating on the case all the afternoon yesterday, the grand jury summoned to consider the indictments of the Assize trials had reached no conclusion as to true bill or no true bill against Charlie Bo, charged on four separate counts with attempted bribery of Chief of Police John Fry. The grand jury adjourned until this morning, having early in the day returned true bills in the two other cases before the Assize court.

This somewhat unusual and lengthy discussion followed the very careful and deliberate charge of Mr. Justice Murphy, who is presiding in the court. The learned judge, after detailing the allegations of the Crown against Charlie Bo, specifically informed the grand jurors, as to the third and fourth counts, which charge the Chinaman with counselling Police Commissioner North to bribe Chief Fry, that before a true bill could be returned on those counts it would be necessary to find that Mr. North had either bribed, or attempted to bribe, the chief of police.

Two True Bills

Early in the afternoon the jurors came into court and presented true bills in the cases of Francis Turner, charged with making use of a forged pari-mutuel betting ticket at the recent race meet at the Willows; and of Mike Semenoff, charged with setting fire to the house of Mrs. Drayman, in Saanich.

Mr. Justice Murphy, who began his charge to the jurors with a congratulation to them and to Victoria upon the fact that the capital city was worthily maintaining its reputation as a peaceful and law-abiding community, devoted most of his attention to the indictment of Charlie Bo. At some length he went over the salient points in the depositions of the preliminary hearing in the City Police Court.

The learned judge said that the grand jury was only incidentally concerned with the specific transactions in which it was alleged that Charlie Bo had paid $400 to Commissioner North. That was not the crime with which Bo was charged. It was for the grand jury to investigate the charge that it was the chief of police who was meant to be bribed. Under the section of the Criminal Code named in the indictment it was only a crime to bribe, or attempt to bribe, a peace officer. The police commissioner was not a peace officer; and whether it was or was not a crime of any sort to bribe the police commissioner, it was enough for the grand jury, in considering the present indictment, to know that that was not a crime as charged.

Important Distinction

"If you find that this money was only intended to square North, if I may use a colloquial but useful term," continued His Lordship, "you will return no bill against Bo. The third and fourth counts of the indictment charge Bo with unlawfully counselling North to bribe John Fry; and it is my duty to tell you that before you can bring in a true bill on these counts, it would be necessary for you to find that North actually bribed, or attempted to bribe, the chief of police."

Later in the day, when the jurors had returned true bills in the other two cases as stated, their foreman, Mr. Arthur Coles, asked the court if they might return a true bill of any one or more counts of the indictment, or whether they must find all or none. Mr. Coles was informed that a true bill might be returned on any one or more of the counts.

The members of the grand jury are: Messrs. Arthur Coles (foreman), William B. Anderson, George W. Sprott Balcom, Clarence B. Deaville, Harold M. Diggon, William Foxall, Francis B. Gibbs, Harold M. Lewis, Samuel M. Officer, Aaron Parfitt, Arthur H. Pigott and Percy A. Raymond. The name of Mr. F. G. Aldous was noted as not being answered to the roll call.

Sale No. 1700.

MESSRS. STEWART WILLIAMS & CO.

Duly instructed by Mrs. Grimth Hughes, will sell by Public Auction at her residence, "Glan-Y-Mor," 724 Esquimalt Road,

MORE HOPEFUL TONE IN MARKET

Railway Strike Situation Does Not Reflect as Much Pressure as Yesterday—Brighter View Taken

NEW YORK, Oct. 18.—The financial community was disposed to take a more hopeful view of the railroad strike situation today. This was reflected in the tone of the stock market, which showed little of yesterday's pressure.

Occasional liquidation was confined to a few selected issues among food and allied specialties. American sugar, common and preferred, suffered greatest depression, the latter's decline of five points pointing to dividend reductions or omissions.

Rails recovered the greater part of yesterday's setback, and shares more or less identified with transportations improved in like degree. Oils were strengthened by short covering, Royal Dutch rallying on denial that the company had sold its holdings in Mexican Eagle. Other foreign as well as domestic oils rose one to two points.

Sales amounted to 426,000 shares.

Monetary conditions relaxed, the opening rate of 6 per cent dropping to 4 per cent at midday. Freer offerings of time funds and a better inquiry for merchants' paper, the latter from out of town, were reported. Foreign exchanges were confusing, sterling losing about 2½ cents.

In the bond list, convertible rails were heavy, the entire domestic division inclined to lower levels. Changes among Liberty issues were trivial on smaller dealings. Total sales, $16,500,000.

CROWN GRANT FOR CITY NOW ARRANGED

Dominion Surrenders Claim for Foreshore Lots in Harbor as Part of Johnson Street Bridge

Completion of negotiations between the city's representatives at Ottawa and the Department of Marine and Fisheries respecting the Crown grant of four waterfront lots as part of the site for the Johnson Street Bridge was announced to the City Council on Monday night by City Solicitor H. S. Pringle.

Ald. W. J. Sargent stated that while in Ottawa as a delegate of the city to the convention of the Union of Canadian Municipalities he had been able to effect the work now reported upon by Mr. Pringle.

Mr. Pringle is now arranging to secure the Provincial grant to the so-called western parcel, lying in the former Songhees Reserve area. He has received from Ottawa a copy of the Dominion's quit claim to the lots on the eastern side.

Mr. J. B. Strauss, one of the heads of the Strauss Bridge Company, which designed the span and superstructure for the Johnson Street Bridge, was in Victoria Sunday and inspected the bridge with City Engineer F. M. Preston. He expressed himself as delighted with the progress made.

Loss of a scowload of sand on account of the strong wind resulted in a few hours' delay, but another scowload arrived in time to enable the workers to catch up with their schedule.

HIS HONOR PRESENTS MUSIC CERTIFICATES

Function at High School Auditorium Was Largely Attended—Names of Successful Candidates

Only in the balcony were empty seats to be found in the High School auditorium Monday night, when the chairman rose to deliver his introductory remarks at the presentation of certificates to the successful candidates in the examinations carried out under the direction of the Associated Board of the Royal Academy of Music and the Royal College of Music, London, England.

Presentation of certificates was made by His Honor Lieutenant-Governor Nichol, this ceremony being prefaced by a short introductory address by His Honor. Pianoforte solos were interspersed throughout the evening's programme.

Before commencing the distribution of the certificates His Honor presented a bronze medal to Mrs. Gibson, on behalf of the Royal Canadian Humane Association, for her heroic rescue of a child at Langford Lake.

The committee in charge of the certificate presentation function, headed by Madame Kate Webb, of the Dominion Academy of Music, was on the platform, which was nicely decorated with palms, flowers and ferns. The committee consisted of the following: Madame Kate Webb, L.S.N., Dominion Academy of Music; Mrs. Brenton-Boulton, A.R.C.M.; Mrs. W. O. Cockett, Miss F. G. Barton, St. Margaret's School; Miss Irene Long, L.R.A.M., St. Margaret's School; Miss Marie George, Miss Gladys Hewlings, L. A. B.; and Miss N. E. Mylam, Dominion Academy of Music. Rev. G. H. Andrews presided.

In a brief introductory address the Lieutenant-Governor pointed out the wonder of music, in its extremes of battle march and mother's lullaby, and its so numerous and varied appeals.

In the distribution of the certificates the successful candidates mounted the platform three at a time to receive recognition of their ability from the hand of the Lieutenant-Governor.

The musical numbers given were pianoforte solos by the following: Miss Vera Cockett, Raff's "La Fileuse;" Miss Elaine Dubord, Debussy's "Arabesque;" Miss Regina Lutz, Reinhold's Impromptu in C sharp minor; Mrs. Jaan Miller, Chopin's Valse in A flat, and Miss Doris Taylor, Mendelssohn's Prelude in B minor.

Following is a list of those who were presented with certificates:

COUGHLAN STEAMER HERE FOR DOCKING

The Coughlan steamer City of Victoria reached Esquimalt from Vancouver yesterday morning and will be put into drydock for cleaning and painting today. Yarrows, Limited, have charge of the docking and overhaul of the vessel. The City of Victoria has been tied up at Vancouver for some time, but has recently been chartered. The Leebre was on the slip at Yarrows yesterday for overhaul and repairs.
